On December 7, 2022, the Holyoke Police Department responded to a report of shots fired at the intersection of Pine Street and Sargeant Street. Upon arrival at the scene, officers observed two unoccupied vehicles that appeared to have been in a collision as well as multiple spent shell casings. Police canvassing the area located an individual lying face down in the backyard of a nearby property suffering from a gunshot wound to the stomach. The victim was transported to a local hospital but would not survive his injuries. The ensuing investigation by the Hampden County State Police Detective Unit and Holyoke PD Detectives revealed that Evdyle Oniel PABON FLORES, the occupant of one of the vehicles, allegedly fired in excess of 10 rounds at the victim who had been traveling in the second vehicle. As a result, Arrest Warrant #2217CR0001752 was issued out of Holyoke District Court charging PABON FLORES with Murder with Nationwide Extradition authorized. PABON FLORES has ties throughout the greater Springfield area and should be considered Armed and Dangerous.
