

INSTRUCTIONS ON BECOMING A CARE COORDINATOR

In order to be considered as a Care Coordinator, please submit a resume and complete the following questionnaire. The questions are designed to help us gain insight as to your experience and professional approach as to how you best achieved pain control with the least opioids as well as your ability to foster a therapeutic alliance with the injured worker and restore the individual to the maximum functional level.

Please feel free to attach additional sheets of paper as needed.

Kindly e-mail your resume and responses to:

Melissa.Crosby@massmail.state.ma.us
