**MassAbility**

Expanding equity and  
access for people with disabilities.

# Take on the modern workplace

MassAbility's Career Services team works with you to explore industries and career paths that suit your interests and professional goals. Whether it's for personalized career counseling, vocational training, accommodation assistance, or job search support, our team is here to champion your success. We're not just creating opportunities—we're cultivating an accessible and inclusive environment where everyone can thrive.

Together with public colleges and universities, professional training programs, and employers statewide, people with disabilities are breaking down barriers and expanding what's possible.

“As a bilingual counselor, it's an honor to use my own personal experience to help underserved communities. Each day I work to break down language barriers and cultural stigmas surrounding disability.”
