(1) The case pending statistics reflect the "open" status in MassCourts, not necessarily the true legal status of the case. Although in "open" status, the case may be completed. Over time these completed but "open" cases are being disposed.

(2) Plans: Land Court survey staff take in registration and subdivision plans and conduct a complete review before any plans are accepted for filing. The survey division process is considered complete when the final plan has been drafted and sent to the county registry.
