

# The Massachusetts Office for Victim Assistance

is offering a free webinar on:

## **Cognitive Behavioral Therapy for Post Disaster Distress**

Principal author: Dr. Jessica Hamblen, Acting Deputy  
Executive Director at the VA's National Center for  
Posttraumatic Stress Disorder

The purpose of this training is to expand disaster preparedness in the Commonwealth of Massachusetts. CBT-PDD may be offered to clients of the Boston Marathon Bombing who may seek treatment as symptoms become more disruptive in their lives. CBT-PDD may also be used with survivors of natural disasters, incidents of mass violence, terrorism and other traumatic events now and in the future.

**December 7, 2016**

**10:00 AM - 2:30 PM**

This is a scheduled webinar event. Participants who wish to receive a Certificate of Participation will be sent Pre and Post test forms to complete and return to MOVA before receiving the certificate. Completion of this webinar with certificate is required to be eligible to apply for the AEAP Behavioral Health Plan Master Service Agreement (MSA).

To register (REQUIRED) please visit MOVA's website here: <http://www.mass.gov/mova/outreach/forums/>
