Dear Mr. Ferguson,

As a downriver neighbor of the Northfield pumped storage facility, I have seen the degradation and damage caused here by this system. I write to urge the DOER to please consider this and NOT incentivize these facilities any longer. They rob us! Not only in monetary terms. They rob my three year old grandchildren of a healthy river.

Please consider this.

Sincerely,

Edite Cunha

Resident of Turners Falls, MA

On the banks of the Connecticut River.
