Hello Mr. Ferguson,

I am writing to request that my name be added to the list of signatories to the letter submitted (8/30/2023) by Sarah Matthews (cc'ed here) on behalf of the organization Western Mass Rights of Nature regarding the energy storage study commissioned by DOER and MassCEC.

I appreciate your help in this matter, and more importantly, your help in implementing the sensible approach outlined in the WMRN letter.

Many Thanks,
Kurt Wise
