Transmittal Letter CHC-125

DATE: July 2026

TO: Community Health Centers Participating in MassHealth

FROM: Monica Sawhney, Chief of Provider, Family, and Safety Net Programs

RE: *Community Health Center Manual: Revised Program Regulations*

This letter transmits revisions to the Community Health Center regulations at 130 CMR 405.000. MassHealth is making these revisions in connection with amendments to the Pharmacy Services regulations at 130 CMR 406.000 and Outpatient Hospital Services regulations at 130 CMR 410.000. Changes are summarized below; please review the referenced documents to see all changes.

The amendments end MassHealth pharmacy coverage for drugs acquired through the 340B Drug Pricing Program (“340B drugs”) billed through pharmacy point-of-sale adjudication. Members will continue to have full access to drugs when not acquired through the 340B Drug Pricing Program. Coverage will remain for most 340B drugs administered by clinicians. The proposed changes also remove requirements that a clinician-administered drug be high cost before it is carved out from MassHealth coverage for drugs acquired through the 340B Drug Pricing Program.

These amendments are effective July 3, 2026.

The rate regulation for Community Health Center Services is 101 CMR 101 CMR 304.00: *Rates for Community Health Centers*.
