

Education Worksite Assessment Checklist

General Safety

| | Yes | No | N/A | Comments |
|--|-----|----|-----|----------|
| Are there appropriate staff-to-child ratios in place? (e.g. never more than 3 children <2-years-old per staff member) | | | | |
| Is indoor space well-lit? | | | | |
| Are ceilings, walls, other surfaces free from mold and water damage? | | | | |
| Are sanitizing chemicals labeled? | | | | |
| Are employees trained in ways to reduce back injuries, such as proper lifting? | | | | |
| Are there handrails by the stairs? | | | | |
| Are emergency procedures and evacuation routes posted by exits? | | | | |
| Is outdoor space free of hazards? (e.g., no poisonous plants, broken glass, dangerous machinery or tools; fencing provided if near streets/cars; etc.) | | | | |

Infection Control for Workers

| | Yes | No | N/A | Comments |
|--|-----|----|-----|----------|
| Is infection control procedure training provided for all employees? | | | | |
| Will the student be provided with any required vaccines? | | | | |
| Is bloodborne pathogen training required for all employees? | | | | |
| Are latex-free disposable gloves provided for use? | | | | |
| If there are multiple areas within the worksite for different tasks (e.g. separate rooms for food preparation, diapering, etc.) are hand-washing stations available in the vicinity of each? | | | | |
| Are disposable hand towels or automatic blow-dryers available near hand washing stations? | | | | |
