Guidance on Priority 4 – Homeless Due to Abusive Situation

Priority for Homeless Applicants is granted for applicants in an Abusive Situation under the Housing Situation Priority Policy. The Policy grants Priority 4 to applicants who have been displaced or are about to be displaced from their Primary Residence due to an Abusive Situation. (PHN 2020-39)

The Policy provides that an applicant is in an Abusive Situation if the applicant or member of the applicant household is determined by the LHA to be a victim of abuse as defined in the Abuse Prevention Act (G.L. c.209A, §1). General Law - Part II, Title III, Chapter 209A, Section 1 (malegislature.gov) (PHN 2020-39)

> ***Abusive Situation.*** An applicant is in an abusive situation if the applicant or member of the applicant household is determined by the LHA to be a victim of abuse as defined in the Abuse Prevention Act (G.L. c.209A, §1), which abuse constitutes a significant and direct threat to life or safety.
>
> The Abuse Prevention Act defines "abuse" as:
>
> > the occurrence of one or more of the following acts between **"family or household members"**:
> >
> > (1) attempting to cause or causing physical harm;
> >
> > (2) placing another in fear of imminent serious physical harm; or

(3) causing another to engage involuntarily in sexual relations by force, threat or duress.

(4) coercive control (defined in Chapter 118 of the Acts of 2024).

"Family or household members" are individuals who are related by blood or marriage, have a child together, or who now or formerly resided in the same household or dated each other.

General Guidance Related to Verification Abusive Situation:

Verification of Displacement: May use Applicant statement or other reliable source. In determining whether an applicant became displaced or is imminently facing displacement due to abuse, LHAs (CSO) may consider a detailed explanation from the applicant or other reliable source of the circumstances that led to the applicant being displaced or imminently facing displacement. (PHN 2020-39)

Guidance:

Verification that the Applicant did not Contribute to their Circumstances: There is a presumption that victims did not contribute to their circumstances. Therefore, victims must not be required to demonstrate that they did not cause/contribute to the Abusive Situation, or to demonstrate that they tried to prevent the Abusive Situation that caused their displacement or imminent displacement. (PHN 2020-39)

Guidance:

Qualification for P4 Abusive Situation for Victims of Sexual Assault or Stalking: While victims of sexual assault or stalking that does not constitute "abuse" as defined by the Abuse Prevention Act do not receive priority based on that situation alone, if the victim becomes displaced/faces displacement as a consequence of the sexual violence or stalking, the victim may be eligible for Priority 4 under the Housing Situation Priority Policy. As in cases of domestic violence, there should be a presumption that victims did not contribute to their circumstances. (PHN 2020-39)

Therefore, Abusive Situation may include victims of sexual assault or stalking perpetrated by individuals who do not qualify as family or household members" as defined in Abuse Prevention Act (G.L. c.209A, §1).
