CHIA 2015

Áron Boros | *Executive Director*

at the Health Policy Commission
Cost Trends and Market Performance Committee
February 25th, 2015

CHIA.

center
for health
information
and analysis

1. Establish and promote **CHIA statistics** as the standard for measuring the performance of the Massachusetts Health Care System.

CHIA.

2. Support the **legislature** and **other state agencies** with CHIA information and analysis.

CHIA.

3. Establish and promote specific **Continuing Studies**
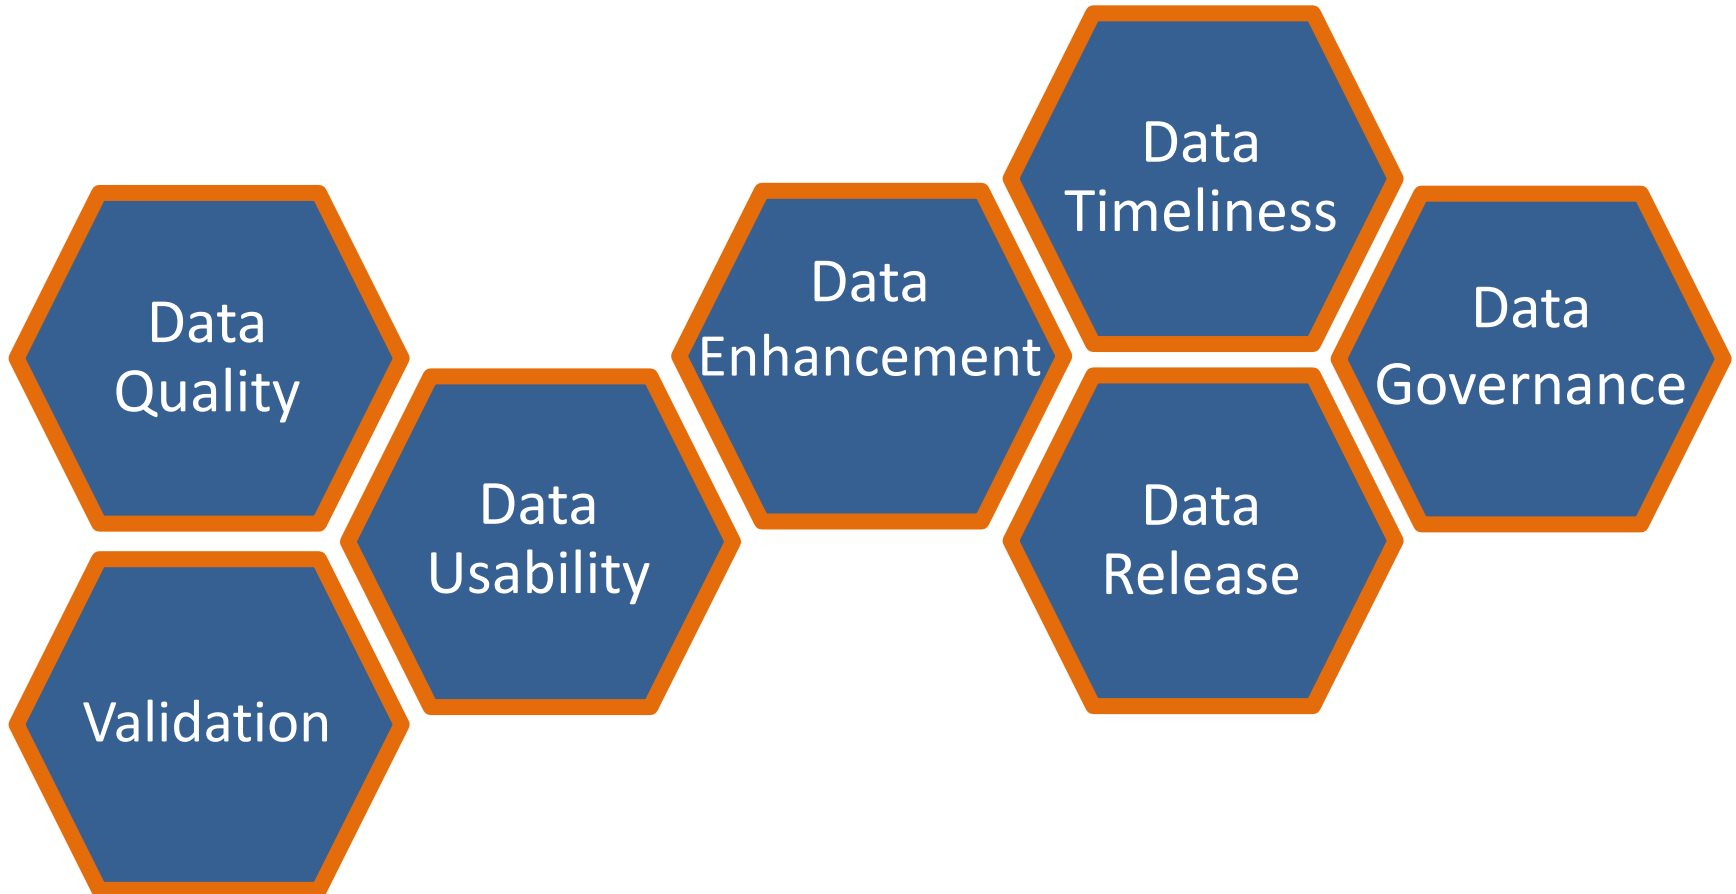

of health system performance.

- Insurance Coverage

- Behavioral Health

- Providers and Payers

- Health Care Delivery Across Populations

CHIA.

4. Seek efficient ways to **maximize the benefit of our data assets**.

CHIA.

CHIA is a steward of complex, sensitive data that is used for a wide variety of purposes.
