

Boston – Public Information Meeting

Chinatown/Leather District

Vent Structures Repair & Rebuild Project

What is happening?

A Live Virtual Public Informational Meeting will be hosted on the MassDOT website to present an overview of the forthcoming project to repair and rebuild the brick facades of the three I-93 tunnel fan chamber vent stacks in the Chinatown/Leather District area of Boston.

MassDOT plans to start project construction at the beginning of 2023 on the three structures located on Summer Street, Beach Street and Essex Street.

How will this affect you?

Some minor pedestrian paths will be rerouted. A portion of Mary Soo Hoo Park will be closed during work on the Beach Street vent structure.

When

Thursday, June 16, 2022
6:30PM

Attend

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857) 368-8580, fax (857) 368-0602, relay 7-1-1, or by email to MassDOT.CivilRights@dot.state.ma.us. Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to daniel.fielding@dot.state.ma.us

Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: Dan Fielding, Legislative Liaison, PROJECT FILE NO. 606801**
