

# FEE SCHEDULE UPDATE: BEHAVIORAL HEALTH FOR CHILDREN AND ADOLESCENTS SERVICES

For Behavioral Health Care Providers  
Revised February 2020

Effective July 1, 2019, Cigna Behavioral Health began administering Behavioral Health for Children and Adolescents (BHCA) services in accordance with the requirements of Massachusetts Division of Insurance Bulletin 2018-07. For more information about this topic, please see the frequently asked questions below.

## 1. Who is eligible to receive BHCA services?

Only a subset of Cigna customers may be eligible for BHCA services. Per the regulation, only customers under a fully-insured plan, situated (or written) in Massachusetts are covered for BHCA services. Self-funded/ASO customers are not currently covered by this regulation. If a customer is not covered for BHCA services, you may still be able to bill for services using Current Procedural Terminology® (CPT) codes currently covered under Cigna Behavioral Health (as long as they are rendered by a licensed provider and an otherwise covered service).

## 2. Do BHCA services require prior authorization?

Community-based acute treatment for children and adolescents (CBAT) and intensive community-based treatment for children and adolescents (ICBAT) are the only BHCA services that require prior authorization. In-home behavioral services, in-home therapy, mobile crisis intervention, and intensive care coordination (ICC) do not require prior authorization for in-network providers and out-of-network providers rendering services to customers with out-of-network benefits.

*Please note:* Authorization is required for all BHCA services if you are out-of-network and the customer does not have out-of-network benefits.

To verify a Cigna customer's eligibility and request prior authorization, you can call Cigna Behavioral Health at 1.800.926.2273 and follow the prompts for "health care professional," then "authorizations." Answer "yes" to the following questions:

- › Is this a request for a new authorization?
- › Is this for inpatient or a higher level of care?

## 3. How do I bill for BHCA services?

Below is guidance for billing BHCA services for all provider levels:

BHCA service	Billing code	Frequency
In-home behavioral services	H2014	Per 15 minutes
In-home therapy	H2019	Per 15 minutes
Mobile crisis intervention	H2011	Per 15 minutes
Intensive care coordination (ICC)	H0023	Per day

Together, all the way.™

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company, Connecticut General Life Insurance Company, Cigna Behavioral Health, Inc., and HMO or service company subsidiaries of Cigna Health Corporation. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

Between July 1, 2019 and March 31, 2020, Massachusetts Behavioral Health Partnership (MBHP) will continue to pay BHCA claims submitted for MassHealth members with third party insurance. However, effective April 1, 2020, all MBHP contracted BHCA providers will be required to provide a primary insurance explanation of benefits (EOB) to third party insurance members when submitting claims to MBHP.

Note, our billing and reimbursement requirements may vary from how you currently bill for BHCA services. Please refer to your amendment for information about reimbursement rates.

**4. Who can bill for BHCA services?**

CBAT and ICBAT services are facility based services, and should be billed by the facility. All other BHCA services may be rendered by bachelor's level, paraprofessional, or unlicensed providers. However, all services should be billed under/by the supervising master's level (or higher) provider. The supervising provider should be active and credentialed with Cigna Behavioral Health to help ensure appropriate in-network claims payment.

**5. Do I have to submit additional credentialing information to provide BHCA services?**

No additional credentialing documentation is required at this time. Per Cigna Behavioral Health's re-credentialing policy, you will still be required to re-credential every three years.

**6. Who can I contact about contractual questions regarding BHCA services?**

You can contact the Massachusetts Provider Relations Representative, Larissa Pugh, at [Larissa.Pugh@Cigna.com](mailto:Larissa.Pugh@Cigna.com).

**Together, all the way.™**

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company, Connecticut General Life Insurance Company, Cigna Behavioral Health, Inc., and HMO or service company subsidiaries of Cigna Health Corporation. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

# BEHAVIORAL HEALTH FOR CHILDREN AND ADOLESCENTS SERVICES

**For Behavioral Health Care Providers**  
**Effective January 2021**

Effective January 1, 2021, Cigna Behavioral Health will begin administering two Behavioral Health for Children and Adolescents (BHCA) services, Family Support and Training and Therapeutic Mentoring in accordance with the requirements of Massachusetts Division of Insurance Bulletin 2018-07. For more information about this topic, please see the frequently asked questions below.

## 1. Who is eligible to receive BHCA services?

Only a subset of Cigna customers may be eligible for BHCA services. Per the regulation, only customers under a fully-insured plan, situated (or written) in Massachusetts are covered for BHCA services. Self-funded/ASO customers are not currently covered by this regulation. If a customer is not covered for BHCA services, you may still be able to bill for services using Current Procedural Terminology (CPT®) codes currently covered under Cigna Behavioral Health (as long as they are rendered by a licensed provider and an otherwise covered service).

## 2. How do I verify eligibility and benefits?

To verify a Cigna customer's eligibility and request prior authorization, you can call Cigna Behavioral Health at 800.926.2273, from 8:30 a.m. to 8:00 p.m. EST, and follow the prompts for "health care professional," then "authorizations." Answer "yes" to the following questions:

- › Is this a request for a new authorization?
- › Is this for inpatient or a higher level of care?

Due to the unique coverage associated with these services, we do not recommend verifying eligibility and benefits online.

## 3. How do I bill or receive authorization for outpatient BHCA services?

Family Support and Training (FS&T) and Therapeutic Mentoring (TM) do not require prior authorization for in-network providers or out-of-network providers rendering services to customers with out-of-network benefits.

*Please note:* Authorization is required for all BHCA services if you are out-of-network and the customer does not have out-of-network benefits.

FS&T and TM services are covered under a clinic contract and should be billed on a CMS 1500 form. While Cigna Behavioral Health does not require use of the Child and Adolescent Needs and Strengths (CANS) tool, nor do we have any specific requirements about documentation, we do recommend that you continue to maintain processes around this matter in the event you need to seek reimbursement from other sources.

Outpatient BHCA services may be rendered by bachelor's level, paraprofessional, or unlicensed providers. However, all services should be billed under/by the supervising master's level (or higher) provider. The supervising provider is not required to be present in treatment, however, they should be

**Together, all the way.™**

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company, Connecticut General Life Insurance Company, Cigna Behavioral Health, Inc., and HMO or service company subsidiaries of Cigna Health Corporation. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

active and credentialed with Cigna Behavioral Health to help ensure appropriate in-network claims payment. In addition to traditional therapeutic services, outpatient providers can bill for time spent engaged in consultations or collateral contacts. No-shows may be billed if a self-pay agreement is on file.

Below is billing guidance for BHCA services for all provider levels. Note, we do not require the use of modifiers.

BHCA service	Service description	Billing code	Frequency
Family Support and Training (FS&T)	Family training and counseling for child development  Service that provides a structured, one-to-one, strength-based relationship between a family partner and a parent/caregiver.	T1027	Per 15 minutes
Therapeutic Mentoring (TM)	Self-help/peer services  Structured, one-to-one, strength-based support services between a therapeutic mentor and a youth for the purpose of addressing daily living, social, and communication needs.	H0038	Per 15 minutes

Note, our billing and reimbursement requirements may vary from how you currently bill for BHCA services. Please refer to your amendment for information about reimbursement rates.

**4. Do I have to submit additional credentialing information to provide BHCA services?**

No. Additional credentialing documentation is not required at this time. Per Cigna Behavioral Health’s re-credentialing policy, you will still be required to re-credential every three years. Providers who would like to become credentialed with Cigna Behavioral Health can begin the process by completing the [Provider Information Form](#), which is available at the Cigna for Health Care Professionals website ([CignaforHCP.com](http://CignaforHCP.com) > Behavioral (under “Join the Cigna Network”).

**5. Who can I contact about contractual or rate questions for BHCA services?**

Contact [Larissa Pugh](#), the Cigna Provider Relations Representative for Massachusetts.
