

MASSACHUSETTS
CLEAN WATER TRUST

THE MASSACHUSETTS CLEAN WATER TRUST (TRUST)

ESTABLISHED IN 1989

MISSION/OBJECTIVE

The Trust, in collaboration with the Massachusetts Department of Environmental Protection (MassDEP), helps communities build or replace water infrastructure that enhances ground and surface water resources, ensures the safety of drinking water, protects public health and develops resilient communities. It accomplishes these objectives by providing low-interest loans and grants to cities, towns and water utilities through the Massachusetts State Revolving Funds (SRFs).
