

SAFE

Your Guide to Cleaning and Disinfecting

1. Always **read the directions** before you use a product!
2. **Store products in a locked cabinet** away from children and pets.
3. **Never eat, drink, or directly sniff** cleaning products.
4. **Wear gloves** while you use cleaning wipes or sprays.
5. Make sure there is **good ventilation** while you clean. Try opening a window!
6. Did you breathe in, consume, or get a product in your eyes? **Call Poison Control at (800) 222-1222**
