

Client Assistance Coordinators

Client Assistance Coordinators can assist you if you have a disability and need ADA accommodations.

Each of our DTA offices has at least one Client Assistance Coordinator (CAC) who is responsible for helping the Department make sure that

clients with disabilities have equal access to DTA benefits and services.

If you need help meeting Department requirements due to a physical, mental or emotional health condition, ask for an accommodation.

Requesting an Accommodation

Client Assistance Coordinator listing by Transitional Assistance Office

If you have a disability or health problem that makes it hard for you to do something DTA asks, you can ask for help. This is called an accommodation.

For example, DTA can help with the following:

- Reading and understanding notices, and filling out forms
- Coming to DTA for appointments
- Providing an auxiliary aid
- Other things depending on your needs

You can request an accommodation by:

- Calling the DTA Assistance Line at 1-(877) 382-2363
- Asking your Case Manager
- Asking to speak with a Client Assistance Coordinator in your Transitional Assistance Office
