Director of Financial Compliance, Jacqueline Brown
Operational Services Division

We appreciate your support of the Clifford School. As you are aware, our specialized school environment provides educational, therapeutic and health care services to children and youth with complex and severe multiple disabilities. The complex needs of our students continue to intensify each school year.

Consequently, we need to change the configuration of our services to meet these needs. We are planning to use the Department of Elementary and Secondary Education's Program Review of our program, during the current school year, to initiate the needed programmatic additions through the Program Reconstruction process.

We anticipate the following authorized annual tuition prices:

- Summer \$17,764.37
- School Day \$140,232.66
- Residential \$350,623.72

We are seeking the increase to be effective July 1, 2026. This increase will enhance our service delivery to better meet the needs of our students. Please see a copy of the letter sent to DCF and other payors.

Thank you for your continued support and please contact me if you should have any questions.

Sincerely,

Lesli Suggs
