

Climate Action is for **All** of Us

Join us at Mass.gov/ClimateAction

EVERYONE CAN TAKE CLIMATE ACTION

No matter where you live, how you get around, where you work, or your budget, we can all help protect our communities, save energy, and save money. In Massachusetts, we are experiencing the effects of climate change first hand.

If we work together, we can do something about it. Massachusetts has a climate action plan with ways for every person, business, city, and town to make a difference.

In Your Home

On the Go

From the Sun

In Your Yard
