Change in Online Availability of NPI Application/Update Form (CMS-10114)

Effective September 20, 2006, the PDF version of the NPI Application/Update Form (CMS-10114) is no longer available for download on the CMS forms Web site, nor will there be a link to that form from the National Plan and Provider Enumeration System (NPPES) page (<https://nppes.cms.hhs.gov/NPPES/Welcome.do>).

Health-care providers can, however, still apply for NPIs in one of three ways.

- (1) For the most efficient application processing and the fastest receipt of NPIs, health-care providers should consider using the Web-based NPI application process. They can log onto the NPPES Web site and apply online at <https://nppes.cms.hhs.gov/NPPES/Welcome.do>;
- (2) Health-care providers can agree to have an electronic file interchange organization (EFIO) submit application data on their behalf (i.e., through a bulk enumeration process) if an EFIO requests their permission to do so; or
- (3) Health-care providers may wish to obtain a copy of the paper NPI Application/Update Form (CMS-10114) and mail the completed, signed application to the NPI Enumerator located in Fargo, ND, whereby staff at the NPI Enumerator will enter the application data into NPPES. The form will be available only upon request through the NPI Enumerator. Health-care providers who wish to obtain a copy of this form must contact the NPI Enumerator in any of the following ways.
 - Phone: 1-800-465-3203 or TTY 1-800-692-2326
 - E-mail: customerservice@npientumerator.com
 - Mail: NPI Enumerator
P.O. Box 6059

Getting an NPI is free; not having one can be costly.
