

# Coastal R&R

## Resilience and Relocation

**Join fellow emergency responders to discuss the impacts of flooding and climate change and create a vision for extreme weather preparedness!**

Share your perspectives on coastal hazards and ways to keep Massachusetts safe. Learn about coastal resilience strategies, including planned relocation.

**WHEN?** Tues, Sept 16, 12-1:30pm

**WHERE?** This is a virtual event.

(Zoom link provided to event registrants.)

This event is offered in English and custom designed for emergency responders.

**REGISTER HERE!**
