This Cumulative Table shows the Register Issue and page numbers for all regulations published during 1983. Librarians may wish to keep the most recent Cumulative Table in a separate reference notebook for easier use. The table of contents below shows the sequence of these regulations in the Cumulative Table. It parallels the Code of Massachusetts Regulations, which uses the Cabinet structure to organize the regulations of each agency.

Annual Cumulative Tables for previous years show the Issue and page numbers for all regulations published in the Massachusetts Register since April 6, 1976. To locate these regulations consult:

1985 CUMMULATIVE TABLE TO THE MASSACHUSETTS REGISTER

INCLUDES REGISTERS 449 THROUGH 500

This Cumulative Table lists all regulations published in the Massachusetts Register during 1985 with the issue number and publication date. This Table is published in the last issue of each month. Librarians may wish to keep the most recent Table as a separate document for easy reference.

State agencies are listed in numerical order by their "CMR" or "Code" number as they are published in the Code of Massachusetts Regulations. The Code number sequence is based on the Cabinet structure.

Annual Cumulative Tables for previous years show the Register issue and page number or publishing date for all regulations published in the Massachusetts Register since April 6, 1976. To locate these regulations consult:

830 CMR Department of Revenue

830 CMR 62C.00 State Tax Administration

830 CMR 62C.00 is amended by adding the following section:

62C.3.3: Renumbering of All Department of Revenue Regulations

(1) General. The regulations promulgated by the Massachusetts Department of Revenue in accordance with G.L. c. 30A are assigned new numbers as of the effective date of this regulation, 830 CMR 62C.3.3. Each regulation is assigned the number which corresponds to the chapter and section of the General Laws that it interprets. Because more than one regulation may be written interpreting a particular chapter section, a decimal number has been added after the section number reference to indicate whether it is the first, second or third etc. regulation written interpreting a particular chapter section. Regulations promulgated after the effective date of this regulation, 830 CMR 62C.3.3, will be numbered within the new system. The purpose of renumbering is to facilitate research and increase accessibility by creating uniformity. This renumbering is not intended to have and does not have any effect on the content or substance of the renumbered regulations. It is a renumbering, not a repromulgation.

The Cumulative Tables published in the last issue in December of previous years will have all regulations published for that year. These Registers are:

CUMULATIVE TABLE TO
THE MASSACHUSETTS REGISTER
860 - 885

The cumulative Table lists all regulations and amendments thereto published in the Massachusetts Register during the current year. The Table is published in each Register.

State agencies are listed in the Table as they appear in the Code of Massachusetts Regulations (CMR or Code) in CMR numerical order which is based on the cabinet structure. For example, all Human Service agencies are prefaced by the number "1" and are designated as 101 CMR through 130 CMR.

CUMULATIVE TABLE TO
THE MASSACHUSETTS REGISTER
964 - 989**

The cumulative Table lists all regulations and amendments thereto published in the Massachusetts Register during the current year. The Table is published in each Register.

State agencies are listed in the Table as they appear in the Code of Massachusetts Regulations (CMR or Code) in CMR numerical order which is based on the cabinet structure. For example, all Human Service agencies are prefaced by the number "1" and are designated as 101 CMR through 130 CMR.

CUMULATIVE TABLE TO
THE MASSACHUSETTS REGISTER
1147 ~~1171~~ 1172
