100 Cambridge Street
Suite 200
Boston, Massachusetts 02114

Docket Nos. C321986 et al.

COMCAST OF MASSACHUSETTS I, INC., ET AL. Appellant.

٧.

## COMMISSIONER OF REVENUE Appellee.

## SUPPLEMENTAL DECISION AND FINDINGS

The parties made numerous concessions and alternative arguments during the trial of these appeals and in their post-trial briefs. See Comcast of Massachusetts I, Inc., et al. v. Commissioner of Revenue, Mass. ATB Findings of Fact and Reports 2017- 497, 500-507, 590, 597. The parties failed to provide sufficient credible evidence upon which to base a finding as to the amount of abatements, if any, resulting from these concessions and alternative arguments. Accordingly, the Board noted in its Opinion that

[i]t is incumbent upon the Commissioner and the appellants to calculate and resolve any numerical consequences of their respective concessions in accordance with the Board's decisions and these findings of fact and report, adjusting for any conceded issues and alternative arguments for any applicable year.

Id. at 506-507.

After the promulgation of the Board's findings on November 10, 2017, the parties conferred and agreed that, for purposes of any appeal, they wished to have the numerical consequences of their concessions and alternative arguments incorporated into the Board's decision and findings. On November 20, 2017, the parties filed a Joint Motion for Additional Findings of Fact and to Amend the Judgment ("Motion"), with the stated intent of ensuring that these numerical consequences be incorporated into the Board's decision and findings.

The parties indicated at a December 7, 2017 status conference on related cases that they were working toward an agreement as to the numerical consequences of their various concessions and alternative arguments. On December 22, 2017, nearly 5 weeks after the filing of the Motion, the parties were finally able to arrive at an agreed

amount concerning these numerical consequences and filed their calculations as an attachment ("Exhibits A and B") to their Joint Supplemental Memorandum in Support of the Motion ("Supplemental Memorandum").

Accordingly, pursuant to the Board's November 10, 2017 Findings of Fact and Report and the parties' joint stipulation and agreement regarding the amount to be abated, as filed with the Board on December 22, 2017, the Board hereby finds, in accordance with 831 CMR 1.33, that the total amount to be abated is \$49,550,335, consisting of \$28,068,480 of tax, plus \$4,184,900 of penalties, and \$17,296,955 of interest through December 31, 2017.
