RE: Ratification of the Chairman's Seventh Set of Orders under G.L. c. 25, § 4B

Dear All,

Pursuant to section 4B of chapter 25 of the General Laws, the Commonwealth Utilities Commission hereby ratifies Chairman Matthew Nelson's Seventh Set of Orders issued on November 18, 2008 (attached as Exhibit D). Pursuant to section 4B and the authority Governor Baker granted the Chairman thereunder, the Chairman's Seventh Set of Orders contained the following directives to the investor-owned gas distribution companies, the investor-owned electric distribution companies, and the investor-owned water distribution companies (collectively, the "Companies") regulated by the Department of Public Utilities (the "Department"):

(1) until April 1, 2021, or they receive further communication under section 4B of chapter 25 of the General Laws, whichever comes first, the Companies shall not shut off gas,

electric, or water service to any of their residential customers for failure to pay a bill or any portion of a bill the Companies issued to a customer; and

(2) until March 1, 2021, or they receive further communication under section 4B of chapter 25 of the General Laws, whichever comes first, the Companies shall not send communications that threaten to shut off gas, electric, or water service to any of their residential customers for failure to pay a bill or any portion of a bill issued to a customer.

Under this ratification, the Chairman's Seventh Set of Orders shall be effective until and including March 31, 2021. In response to current and ongoing effects of COVID-19, the Commission takes this action to assure public safety and welfare through the priority restoration and continuing availability of gas, electric, and water utility services. The state of emergency in Massachusetts due to the COVID-19 pandemic remains in effect. Order Returning All Municipalities to Phase III, Step 1 COVID-19 Safety Rules, COVID-19 Order No. 58, Governor Charles D. Baker (December 8, 2020); Further Revised Order Regulating Gatherings in the Commonwealth, COVID-19 Order No. 57, Governor Charles D. Baker (December 8, 2020). In our action today, the Commission recognizes that the COVID-19 pandemic continues to cause an unprecedented public health emergency and substantial economic disruption.

If any of the Companies fails to carry out the Chairman's Seventh Set of Orders through and including March 31, 2021, it may be assessed penalties as provided for in section 4B of chapter 25 of the General Laws.

Sincerely,

/s/ Matthew H. Nelson

RE: Chairman's Seventh Set of Orders under G.L. c. 25, § 4B

Dear All,

On March 10, 2020, Governor Baker declared a state of emergency in response to the Coronavirus ("COVID-19"). Additionally, on March 24, 2020, pursuant to section 4B of chapter 25 of the General Laws, Governor Baker has granted me the authority to take such action as I consider necessary to assure public safety and welfare through the priority restoration or continuing availability of gas, electric, and water utility services.

In response to this public-safety issue and consistent with my previous letters, I address this letter to the investor-owned gas distribution companies, the investor-owned electric distribution companies, and the investor-owned water distribution companies (collectively, the "Companies") regulated by the Department of Public Utilities (the "Department"). In this letter, I issue the following orders that I deem necessary to assure

public safety and welfare through the priority restoration and continuing availability of gas, electric, and water service during the state of emergency related to COVID-19:

- Until April 1, 2021, or you receive further communication under section 4B of chapter 25 of the General Laws, whichever comes first, the Companies shall not shut off gas, electric, or water service to any of their residential customers for failure to pay a bill or any portion of a bill the Companies issued to a customer.
- Until March 1, 2021 or you receive further communication under section 4B of chapter 25 of the General Laws, whichever comes first, the Companies shall not send communications that threaten to shut off gas, electric, or water service to any of their residential customers for failure to pay a bill or any portion of a bill the Companies issued to a customer.

Any of the Companies that fail to carry out any of these orders may be assessed penalties as provided for in section 4B of chapter 25 of the General Laws.

Sincerely,

/s/ Matthew H. Nelson
