**RE: Massachusetts Application for Health and Dental Coverage and Help Paying Costs (ACA-3)**

### **Background**

MassHealth has updated the Application for Health and Dental Coverage and Help Paying Costs (ACA-3). The Application, most recently revised in January 2021, is for the following populations in Massachusetts:

- individuals younger than age 65 who do not need long-term-care services (either in a nursing facility or in the community);
- parents of children younger than age 19; and
- adult relatives living with or taking care of children younger than age 19 (regardless of the age of the parent or adult relative) when neither parent is living in the home.

Individuals aged 65 or older, including those who are applying with a spouse who is under the age of 65, and those of any age who need long-term-care services (either in a nursing facility or in the community) will need to fill out the Application for Health Coverage for Seniors and People Needing Long-Term-Care Services (SACA-2).

### **Summary of Changes**

The following changes were made in the January 2021 version of the ACA-3:

- Updated alimony language on question 33 deductions section for persons 1-4 (pages 5, 9, 13, and 17 respectively)
- Removed “higher education tuition and fees” from question 33 deductions section for persons 1-4 (pages 5, 9, 13, and 17 respectively)
- Added clarifying language to the Rights and Responsibilities section (Step 9, numbers 9. and 10.) to specify that liens will be placed for LTC members if they’re not expected to return home, and that estate recovery will pursue an amount equivalent to the total cost of care.

### **Supplies and Use of Revised Forms**

The July 2020 version of the ACA-3 can be used until January 31, 2021.

The January 2021 version of the ACA-3 is currently available.
