

COMMUNITY SAFETY WORKSHOP

Focused on Physical and Cyber Security

Details

Please join the U.S. Department of Homeland Security (DHS) on September 12, 2024, for an all-day workshop aimed at equipping individuals and community organizations with resources and information to enhance their security. DHS personnel from our Office of Partnership and Engagement (OPE), the Cybersecurity and Infrastructure Security Agency (CISA), and the Office of Intelligence and Analysis (I&A) will share ways to enhance the safety, security, and resilience of your communities – especially against threats and acts of targeted violence. From bomb threat management and active shooter awareness to personal cyber hygiene and tools to combat online exploitation, the goal is to equip you and your organization with the resources to ensure your safety.

Date: Thursday, September 12, 2024

Time: 9:00am – 4:00pm EDT

Location: Massachusetts Emergency Management Agency (MEMA)
400 Worcester Road
(Route-9 East)
Framingham, MA 01702
