

Mass. Department of Energy Resources'  
2021 Fall Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Adams	\$161,373	West	to fund energy conservation measures, LED lighting, weatherization and administrative assistance, in municipal facilities including Dept of Public Works, Wastewater Treatment Plant, and Town Hall
Ashburnham	\$20,000	Central	to fund energy conservation measures, hybrid police and fire vehicles, in municipal facilities including vehicle fleet
Ashby	\$10,413	Central	to fund energy conservation measures, programmable thermostats, weather-stripping, pipe insulation, hybrid police cruiser, and administrative assistance, in municipal facilities including Fire Station, Highway Buildings #1 & #2, Town Hall, and vehicle fleet
Athol	\$111,514	West	to fund energy conservation measures, LED lighting and controls, weather-stripping, weatherization, pipe insulation, EV charging station, and administrative assistance, in municipal facilities including Town Hall, Senior Center, Uptown Fire #2, and EV infrastructure
Attleboro	\$186,629	South	to fund energy conservation measures, weatherization, in municipal facilities including Annex Building, City Hall, South and Briggs Fire Stations, Police Station, and Recreation Dept
Bernardston	\$13,805	West	to fund energy conservation measures, air source heat pump, insulation, and administrative assistance, in municipal facilities including Garage/Highway Dept
Billerica	\$181,037	North	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Public Library, Town Hall, Police Station, Fire HQ, Council on Aging, and Letchworth Water Treatment Plant
Blackstone	\$199,421	Central	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including AFM School, JFK School, Blackstone-Millville High School, and Fire Stations 2 & 3
Brookline	\$22,500	North	to fund energy conservation measures, EV charging station and EV vehicle, in municipal facilities including vehicle fleet and EV infrastructure
Buckland	\$5,000	West	to fund energy conservation measures, hybrid police cruiser, in municipal facilities including vehicle fleet
Chelmsford	\$17,782	North	to fund energy conservation measures, steam trap repairs, transformers, hybrid vehicle, and Building Operator Certification training, in municipal facilities including South Row Elementary School, High School, and vehicle fleet
Cohasset	\$188,600	South	to fund energy conservation measures, energy management system upgrades, in municipal facilities including High and Middle Schools
Concord	\$100,000	North	to fund energy conservation measures, air source heat pumps, in municipal facilities including Ripley School & Admin Building
Douglas	\$104,947	Central	to fund energy conservation measures, LED lighting, weatherization and administrative assistance, in municipal facilities including Fire Dept, Senior Center, and High School
Dudley	\$200,000	Central	to fund energy conservation measures, energy management system controls, LED lighting, pipe insulation, and administrative assistance, in municipal facilities including Municipal Complex, Crawford Memorial Library, and Middle School
Easthampton	\$15,000	West	to fund energy conservation measures, EV vehicles, in municipal facilities including vehicle fleet
Franklin	\$150,902	Central	to fund energy conservation measures, EV vehicles, LED lighting, and transformers, in municipal facilities including vehicle fleet, Horace Mann, Remington, and Keller Sullivan Schools
Georgetown	\$199,999	North	to fund energy conservation measures, weatherization, retro-commissioning, and administrative assistance, in municipal facilities including Middle Senior High School, Perley Pre-School, Council on Aging, and Administration Buildings, Peabody Public Library, and Renn Brook School
Gloucester	\$92,807	North	to fund energy conservation measures, energy management system upgrades and LED lighting, in municipal facilities including Talbot Ice Rink, O'Maley Middle School, Veteran's Center, and Central, Magnolia, West Gloucester, and Bayview Fire Stations
Groton	\$99,393	Central	to fund energy conservation measures, LED lighting with controls and Building Operator Certification training, in municipal facilities including Central Fire Station and Public Library
Hanover	\$100,000	South	to fund energy conservation measures, weatherization, kitchen exhaust demand controls, and administrative assistance, in municipal facilities including Center Elementary and High Schools
Harwich	\$160,952	South	to fund energy conservation measures, HVAC upgrade and chiller, in municipal facilities including Community Center
Hingham	\$185,475	South	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including High School and Town Hall
Hopkinton	\$91,189	Central	to fund energy conservation measures, weatherization, cooler controls, controls upgrade, weatherization and hybrid police cruiser, in municipal facilities including High, Middle, Elmwood Elementary, Hopkins Elementary, Marathon Elementary Schools and vehicle fleet

Mass. Department of Energy Resources'  
2021 Fall Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Ipswich	\$200,000	North	to fund energy conservation measures, hot water temperature reset, LED lighting, weatherization, and pipe insulation, in municipal facilities including Middle/High School, ELD Power Plant, Doyon School, Utilities Administration, Public Library, and Town Hall
Lawrence	\$199,996	North	to fund energy conservation measures, pneumatic to DDC conversion, LED lighting, variable frequency drives, steam controls, and administrative assistance, in municipal facilities including South Lawrence East School and City Hall
Longmeadow	\$60,819	West	to fund energy conservation measures, LED lighting and hybrid police cruiser, in municipal facilities including High, Wolf Swamp Park, Strople Field, Bliss Park, and vehicle fleet
Marion	\$102,000	South	to fund energy conservation measures, air source heat pump, ductwork insulation, and administrative assistance, in municipal facilities including Taber Library
Marlborough	\$118,940	Central	to fund energy conservation measures, energy management system controller upgrade and pneumatic to DDC conversion, in municipal facilities including ECLC Freeman School
Medfield	\$179,884	Central	to fund energy conservation measures, lighting controls, LED lighting, dimulator nodes on exterior lighting, heat pump hot water heaters, EV charging stations, and administrative assistance, in municipal facilities including EV infrastructure, and High, Memorial, and Blake Schools
Medford	\$100,000	North	to fund energy conservation measures, retro-commissioning, controls upgrade, and LED lighting, in municipal facilities including Dept of Public Works and LoConte Ice Rink
Medway	\$99,094	Central	to fund energy conservation measures, kitchen hood controls, in municipal facilities including Middle, Memorial, and McGovern Schools
Middleborough	\$98,527	South	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Library and Council on Aging
Nantucket	\$160,988	South	to fund energy conservation measures, PTAC unit replacement, air source heat pump, LED lighting, Wi-Fi thermostats, and administrative assistance, in municipal facilities including Finance Dept, Dept of Public Works, Public Safety, NRTA, and Fire
Natick	\$500,000	North	to fund energy conservation measures, heating electrification and controls upgrade, in municipal facilities including Morse Institute Library
Norfolk	\$145,701	Central	to fund energy conservation measures, energy management system and VFDs, weatherization and pipe insulation, and LED lighting, in municipal facilities including H Olive Day Main School
North Adams	\$189,915	West	to fund energy conservation measures, weatherization, LED lighting, transformer, hybrid police cruiser, and administrative assistance, in municipal facilities including City Hall, Wastewater Treatment Plant, Vietnam Veterans Ice Rink, and vehicle fleet
North Attleborough	\$178,793	South	to fund energy conservation measures, LED lighting, variable frequency drives, hybrid police cruiser, and administrative assistance, in municipal facilities including Community School, Town Hall, Middle School, and vehicle fleet
Norwell	\$54,413	South	to fund energy conservation measures, variable refrigerant flow (VRF) system, in municipal facilities including Fire 1
Norwood	\$182,290	South	to fund energy conservation measures, weatherization, LED lighting, HVAC upgrade to dual fuels, EV vehicle, hybrid vehicle, EV charging station, Building Operator Certification training, and administrative assistance, in municipal facilities including vehicle fleet, EV infrastructure, Town Hall, and Willett, Balch, Callahan, Oldham, Cleveland, and Prescott Schools
Palmer	\$200,000	West	to fund energy conservation measures, air source heat pump, weatherization, and LED lighting, in municipal facilities including Memorial Hall/Council on Aging, High School, and Old Mill Pond School
Plainville	\$95,190	South	to fund energy conservation measures, weatherization, LED lighting variable refrigerant flow (VRF) system, and administrative assistance, in municipal facilities including Anna Ware Jackson School
Revere	\$192,589	North	to fund energy conservation measures, weatherization and LED lighting, in municipal facilities including Engine 5, 4, and 3, City Hall, and Library
Saugus	\$118,844	North	to fund energy conservation measures, variable frequency drives/motors, building management system update, air source heat pump, kitchen hood controls, weatherization, and administrative assistance, in municipal facilities including Public Safety, Library, Belmonte School, Youth and Recreation Center, and Veteran's Memorial School
Sharon	\$128,868	South	to fund energy conservation measures, EV and hybrid vehicles, water pump motor, weather-stripping, retro-commissioning, LED lighting, Building Operator Certification training, and administrative assistance, in municipal facilities including vehicle fleet, Water Dept, and Cottage Street, Middle, and Heights Elementary Schools

Mass. Department of Energy Resources'  
2021 Fall Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Shrewsbury	\$146,604	Central	to fund energy conservation measures, hybrid electric heat pump water heater, weatherization, LED lighting, EV charging station, police cruisers, and Building Operator Certification trainings, in municipal facilities including Spring Street School, High School, Town Hall, Senior Center, EV infrastructure, and vehicle fleet
Somerville	\$84,802	North	to fund energy conservation measures, electric heat pump block heater, kitchen hood controls, and LED lighting, in municipal facilities including Capuano Early Childhood Center, Winter Hill and ES Community Schools
Stockbridge	\$62,569	West	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including including town-owned streetlights
Stoughton	\$199,426	South	to fund energy conservation measures, roof insulation, energy management system, EV charging stations, and administrative assistance, in municipal facilities including Cedar Hill Golf Course, Town Hall, Senior Center, Youth Commission, and EV infrastructure
Tyngsborough	\$91,033	North	to fund energy conservation measures, LED lighting and transformer, in municipal facilities including Elementary School
Uxbridge	\$177,827	Central	to fund energy conservation measures, unit ventilator pneumatic to DDC, LED lighting, and administrative assistance, in municipal facilities including Whitin School
Waltham	\$185,447	North	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Consolidated Public Works, Police HQ, Central Fire, and Fitzgerald, MacArthur, McDevitt and Stanley Elementary Schools
Warwick	\$136,103	West	to fund energy conservation measures, air source heat pumps, hybrid electric water heater, winserts, freezer, and administrative assistance, in municipal facilities including Community School
Wellesley	\$200,000	North	to fund energy conservation measures, hybrid police cruisers, air source heat pumps, and LED lighting, in municipal facilities including vehicle fleet, Wellesley Ave, Morses, and Longfellow Water Treatment Plants, and Water/Sewer Building
Westborough	\$200,000	Central	to fund energy conservation measures, LED lighting, HVAC upgrade, hybrid police cruiser, and administrative assistance, in municipal facilities including Shepard Building, Dept of Public Works, vehicle fleet, and 148 Worcester St, 214 Woodland St, Thomas Basin Pump Stations
West Boylston	\$99,046	Central	to fund energy conservation measures, LED lighting, HVAC upgrade, hybrid police cruiser, and administrative assistance, in municipal facilities including Shepard Building, Dept of Public Works, vehicle fleet, and 148 Worcester St, 214 Woodland St, Thomas Basin Pump Stations
Westford	\$34,680	North	to fund energy conservation measures, LED lighting, in municipal facilities including High School
Westminster	\$178,273	Central	to fund energy conservation measures, LED lighting, in municipal facilities including Mill Pond Elementary School
West Newbury	\$5,000	North	to fund energy conservation measures, hybrid police cruiser, in municipal facilities including vehicle fleet
Westport	\$200,000	South	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Library, Meeting House and Elementary Schools, and Town Hall
West Springfield	\$37,399	West	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Beach Grove Cemetery Building, Harbormaster Facility, Highway Dept, and Macomber and Elementary Schools
Weymouth	\$100,000	South	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including School Administration Building, and Lawrence W Pingree, Abigail Adams Middle, Wessagusset Elementary, Ralph Talbot Elementary Schools
Wilbraham	\$170,434	West	to fund energy conservation measures, LED lighting, HVAC upgrade, weatherization, and hybrid police cruisers, in municipal facilities including Information Technology Building, Little Red Schoolhouse, Public Library, Fire 2, Dept of Public Works, Police, and vehicle fleet
Woburn	\$100,000	North	to fund energy conservation measures, LED lighting, weatherization and EV vehicle, in municipal facilities including Cemetery Building, Fire 1, Dept of Public Works, Senior Center, Water Treatment Plant, and vehicle fleet
