

Mass. Department of Energy Resources'
2022 Spring Block Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Acushnet	\$95,336	Southeast	to fund energy conservation measures, pipe insulation, weather-stripping, air sealing, LED lighting, battery electric vehicle and administrative assistance, in municipal facilities including Highway, Ford Middle School, and town vehicle fleet
Andover	\$98,618	Northeast	to fund energy conservation measures, weatherization, in municipal facilities including Sanborn Elementary, South Elementary, and West Middle Schools
Arlington	\$100,000	Northeast	to fund energy conservation measures, attic insulation, LED lighting, and air source heat pump, in municipal facilities including Town Hall, Media/Dallin Library, and Brackett Elementary School
Auburn	\$100,000	Central	to fund energy conservation measures, weatherization and heat pump, in municipal facilities including Town Hall Annex
Boxford	\$61,305	Northeast	to fund energy conservation measures, weatherization and hybrid police interceptor, in municipal facilities including East and West Fire Stations and town vehicle fleet
Dighton	\$68,513	Southeast	to fund energy conservation measures, heat pump, mechanical insulation, EV charging station, and administrative assistance, in municipal facilities including Library, Middle and Elementary Schools, and town vehicle infrastructure
Dover	\$500,000	Northeast	to fund energy conservation measures, decarbonization project, in municipal facilities including Community Center
Duxbury	\$48,678	Southeast	to fund energy conservation measures, weatherization, in municipal facilities including Alden Elementary and Performing Arts Center
Easton	\$89,069	Southeast	to fund energy conservation measures, air source heat pump and EV charging station (2), in municipal facilities including Town Hall and town vehicle infrastructure
Greenfield	\$100,302	Western	to fund energy conservation measures, air source heat pump, EV charging station, and battery electric vehicle (2), in municipal facilities including Wastewater Plant and town vehicle fleet / infrastructure
Hamilton	\$164,209	Northeast	to fund energy conservation measures, AHU optimization and retro-commissioning, weatherization, LED lighting, and administrative assistance, in municipal facilities including Public Safety Building and Buker Elementary School
Haverhill	\$191,809	Northeast	to fund energy conservation measures, weatherization, battery electric vehicle (3), and administrative assistance, in municipal facilities including 16th Ave, Water Street, and High Street Fire Stations, Charles C White Pool, Citizens Center, Greenleaf, Nettle Middle, and High Schools, and city vehicle fleet
Holliston	\$199,718	Central	to fund energy conservation measures, LED streetlights and Building Operator Certification training (2), in municipal facilities including town-owned streetlights
Kingston	\$73,003	Southeast	to fund energy conservation measures, air source heat pump, weatherization, weather-stripping, hybrid police interceptor (2), EV charging station, and administrative assistance, in municipal facilities including Highway and Water Departments and town vehicle fleet / infrastructure
Lanesborough	\$106,880	Western	to fund energy conservation measures, weatherization, heat pump water heater and destratification fans, in municipal facilities including Town Hall and DPW
Leicester	\$189,551	Central	to fund energy conservation measures, Variable Refrigerant Flow heat pump system, hybrid police interceptor (2), and administrative assistance, in municipal facilities including Senior Center and town vehicle fleet
Leominster	\$64,930	Central	to fund energy conservation measures, air source heat pump, in municipal facilities including Northwest School Library
Lowell	\$100,000	Northeast	to fund energy conservation measures, steam trap repairs, weatherization, LED lighting, and Building Operator Certification training (3), in municipal facilities including Stoklosa Middle School and multiple town buildings
Lunenburg	\$187,140	Central	to fund energy conservation measures, LED streetlights, hybrid police interceptor, and administrative assistance, in municipal facilities including town-owned streetlights and town vehicle fleet
Lynn	\$99,418	Northeast	to fund energy conservation measures, transformer, in municipal facilities including English High School
Manchester-by-the-Sea	\$21,989	Northeast	to fund energy conservation measures, Energy Management System and administrative assistance, in municipal facilities including Library
Melrose	\$500,000	Northeast	to fund energy conservation measures, decarbonization project, in municipal facilities including Public Library
Mendon	\$79,542	Central	to fund energy conservation measures, retro-commissioning, battery electric vehicle, and administrative assistance, in municipal facilities including Clough School and town vehicle fleet
Merrimac	\$70,089	Northeast	to fund energy conservation measures, weatherization and LED lighting, in municipal facilities including Sweetsir and Donaghue Schools
Millbury	\$93,106	Central	to fund energy conservation measures, LED lighting and pump upgrades and controls, in municipal facilities including Jr-Sr High School and Sewer Main Pump Station
Millis	\$73,524	Central	to fund energy conservation measures, air source heat pumps and storm windows, in municipal facilities including D'Angelis WTF and Wells 1&2, Norfolk Rd and Wells 3-6, and Niagara Engine House

Mass. Department of Energy Resources'
2022 Spring Block Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Nahant	\$103,863	Northeast	to fund energy conservation measures, air source heat pump, LED lighting, and administrative assistance, in municipal facilities including Fire Station, DPW, and Johnson School
Newburyport	\$36,867	Northeast	to fund energy conservation measures, LED lighting, motors and controls, and administrative assistance, in municipal facilities including High School and Library
Northbridge	\$89,916	Central	to fund energy conservation measures, LED lighting, sensors and Demand Control ventilation, and administrative assistance, in municipal facilities including High School
Oxford	\$200,000	Central	to fund energy conservation measures, LED lighting, weatherization, and administrative assistance, in municipal facilities including Chaffee and Clara Barton Elementary Schools, Fire Headquarters, and Library
Pepperell	\$189,869	Central	to fund energy conservation measures, weatherization, destratification fans, transformers, LED lighting, and administrative assistance, in municipal facilities including Nissitissit and Varnum Brook Schools
Plympton	\$84,562	Southeast	to fund energy conservation measures, air source heat pumps and administrative assistance, in municipal facilities including Fire Station and Public Library
Rochester	\$117,430	Southeast	to fund energy conservation measures, weatherization, air sealing, pipe insulation, duct sealing, air source heat pump, LED lighting, variable frequency drives, and administrative assistance, in municipal facilities including Fire Station # 1 and #2, Library, and Memorial Elementary School
Rockland	\$97,718	Southeast	to fund energy conservation measures, pumps, variable frequency drives and controls and administrative assistance, in municipal facilities including Wastewater Plant
Rockport	\$200,000	Northeast	to fund energy conservation measures, air source heat pumps, weatherization, AHUs, and IR heaters, and administrative assistance, in municipal facilities including Police Station and Town Hall
Salem	\$62,584	Northeast	to fund energy conservation measures, EV charging station (6), hybrid police vehicle (2), Building Operator Certification training, and administrative assistance, in municipal facilities including town vehicle fleet and infrastructure
Seekonk	\$60,094	Southeast	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Public Safety
Shelburne	\$119,883	Western	to fund energy conservation measures, air source heat pump and administrative assistance, in municipal facilities including Cowell Gymnasium
Southborough	\$100,000	Central	to fund energy conservation measures, LED lighting, boiler controls, hybrid police cruiser, and administrative assistance, in municipal facilities including P. Brent Trottier School and town vehicle fleet
Stow	\$5,000	Central	to fund energy conservation measures, hybrid vehicle, in municipal facilities including town vehicle fleet
Sunderland	\$10,000	Western	to fund energy conservation measures, hybrid police cruiser, in municipal facilities including town vehicle fleet
Tisbury	\$71,690	Southeast	to fund energy conservation measures, air source heat pump and administrative assistance, in municipal facilities including DPW
Topsfield	\$132,000	Northeast	to fund energy conservation measures, motors and variable frequency drives, LED lighting, and administrative assistance, in municipal facilities including Steward and Proctor Elementary Schools
Truro	\$158,511	Southeast	to fund energy conservation measures, weatherization, window replacement, and administrative assistance, in municipal facilities including Public Safety
Ware	\$34,229	Western	to fund energy conservation measures, Variable Refrigerant Flow heat pump system, in municipal facilities including Wastewater Plant
Warren	\$200,000	Western	to fund energy conservation measures, Energy Management System and administrative assistance, in municipal facilities including Elementary School
Wellfleet	\$200,000	Southeast	to fund energy conservation measures, Variable Refrigerant Flow heat pump system, Energy Recovery ventilation, and hybrid police cruiser, in municipal facilities including New Fire Station and town vehicle fleet
Weston	\$176,839	Northeast	to fund energy conservation measures, air sealing, weather stripping, pipe insulation, LED lighting, and EV charging station (2), in municipal facilities including Woodland Primary, Country Elementary, Middle and High Schools and town vehicle infrastructure
Westwood	\$90,000	Northeast	to fund energy conservation measures, LED lighting and HVAC upgrade with air cleaning, in municipal facilities including Sheehan Elementary and Thurston Middle Schools
Whately	\$91,903	Western	to fund energy conservation measures, weatherization, in municipal facilities including Elementary School
Yarmouth	\$200,000	Southeast	to fund energy conservation measures, anaerobic digester, hybrid police interceptor (6), and administrative assistance, in municipal facilities including Septage Treatment Plant and town vehicle fleet
