

Mass. Department of Energy Resources'  
2022 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Acton	\$100,000	Central	to fund energy conservation measures, weatherization, in municipal facilities including Administration Building, Parker Damon Building, RJ Grey Junior High School, and Public Safety Facility
Ashburnham	\$10,000	Central	to fund energy conservation measures, hybrid cruiser, in municipal facilities including town vehicle fleet
Bedford	\$50,000	Northeast	to fund energy conservation measures, LED lighting, in municipal facilities including High School and Lane Elementary School
Bellingham	\$80,573	Central	to fund energy conservation measures, LED lighting, in municipal facilities including South Elementary School
Brockton	\$198,263	Southeast	to fund energy conservation measures, EV charging stations (31) and administrative assistance, in municipal facilities including city vehicle infrastructure
Burlington	\$129,078	Northeast	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall and Town Hall Annex
Cambridge	\$97,461	Northeast	to fund energy conservation measures, retro-commissioning and battery electric snowplow loan, in municipal facilities including Alice K Wolf, Main Library, and city vehicle fleet
Canton	\$85,814	Southeast	to fund energy conservation measures, AHU replacement, in municipal facilities including Memorial Hall
Carver	\$199,984	Southeast	to fund energy conservation measures, LED lighting with controls, air sealing and insulation, door weather stripping, and administrative assistance, in municipal facilities including Middle/High School, Fire #3, Fire #2, School Administration Building, and Public Library
Charlton	\$200,000	Central	to fund energy conservation measures, battery electric vehicle (2), air sealing, LED lighting, and administrative assistance, in municipal facilities including town vehicle fleet and Heritage School

Mass. Department of Energy Resources'  
2022 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Dartmouth	\$105,381	Southeast	to fund energy conservation measures, variable frequency drives, heat pump systems, and mechanical insulation, in municipal facilities including Potter, DeMello, Quinn, and Cushman Elementary Schools
Dedham	\$200,000	Northeast	to fund energy conservation measures, LED lighting, variable refrigerant flow (VRF) system, battery electric vehicles (3), EV charging stations (2), and administrative assistance, in municipal facilities including Middle School, Public Works, and town vehicle fleet and infrastructure
Dracut	\$197,610	Northeast	to fund energy conservation measures, heat pump water heaters (2), weatherization, LED lighting with controls, and weatherization, in municipal facilities including Parker Library, Council on Aging, Englesby Elementary School, DPW Annex, Fire #1, and Fire #2
Framingham	\$59,600	Northeast	to fund energy conservation measures, air source heat pumps, in municipal facilities including Memorial Building
Georgetown	\$71,944	Northeast	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Municipal Light Department and Public Works
Gill	\$42,480	Western	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Public Safety Complex
Halifax	\$200,000	Southeast	to fund energy conservation measures, weatherization, air source heat pumps, and administrative assistance, in municipal facilities including Fire Station, Town Hall, Water Dept. and Administration Building
Hanson	\$20,461	Southeast	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Town Hall
Harvard	\$27,173	Central	to fund energy conservation measures, weatherization and hybrid cruiser, in municipal facilities including Library and town vehicle fleet

Mass. Department of Energy Resources'  
2022 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Leverett	\$97,080	Western	to fund energy conservation measures, air source heat pump, in municipal facilities including Library and town vehicle fleet
Lexington	\$50,000	Northeast	to fund energy conservation measures, LED lighting, in municipal facilities including High School and Harrington Elementary School
Littleton	\$74,024	Central	to fund energy conservation measures, zoning with programmable thermostats, hybrid vehicles (3), battery electric vehicles (3), EV charging stations (2), and administrative assistance, in municipal facilities including Public Works and town vehicle fleet and infrastructure
Malden	\$173,237	Northeast	to fund energy conservation measures, attic insulation, air source heat pumps, door weather stripping, weatherization, refrigeration fan motors and fan blades, heat pump water heater, and pool recirculation motor, in municipal facilities including Pearl Street Offices, Fire #3, Public Works, Cemetery House, Middle-High School, and Salemwood K-8 School
Marion	\$194,065	Southeast	to fund energy conservation measures, weatherization, air source heat pumps, and administrative assistance, in municipal facilities including Fire #1, Fire #2, and Community Center
Maynard	\$68,837	Central	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall
Medway	\$9,887	Central	to fund energy conservation measures, air source heat pump, in municipal facilities including Choate Park
New Braintree	\$63,851	Central	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Grade School and Library
Newton	\$100,000	Northeast	to fund energy conservation measures, LED lighting with controls, mechanical insulation, weather stripping, thermostats and zone repairs, and air source heat pump, in municipal facilities including South High School and Fire #1

Mass. Department of Energy Resources'  
2022 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Northampton	\$60,284	Western	to fund energy conservation measures, attic air sealing and insulation and crawl space insulation , in municipal facilities including Forbes Library, Leeds Elementary School, Academy of Music, and James House Learning Center
North Andover	\$139,993	Northeast	to fund energy conservation measures, interior and exterior LED lighting, door weather stripping, and air sealing, in municipal facilities including High School, Atkinson, Franklin, Kittredge, Sargent, and Thomson Elementary Schools, and Town Hall
Pembroke	\$136,194	Southeast	to fund energy conservation measures, LED lighting, transformer, weatherization, and administrative assistance, in municipal facilities including High School, Mattakeesett Street Ball Field, and Town Hall
Rehoboth	\$199,485	Southeast	to fund energy conservation measures, weatherization, air source heat pumps, EV charging stations (2), and administrative assistance, in municipal facilities including Fire #2, Fire #3, and town vehicle infrastructure
Rutland	\$97,272	Central	to fund energy conservation measures, building controls and administrative assistance, in municipal facilities including Public Safety Building
Salisbury	\$134,318	Northeast	to fund energy conservation measures, air source heat pumps and weatherization, in municipal facilities including Public Works and Fire Dept.
Sandisfield	\$65,129	Western	to fund energy conservation measures, air source heat pumps and administrative assistance, in municipal facilities including Town Hall Annex
Shutesbury	\$178,503	Western	to fund energy conservation measures, weatherization and lighting, in municipal facilities including Elementary School, Fire Station, Public Works, Library, and Town Hall
Southbridge	\$83,349	Central	to fund energy conservation measures, LED lighting, and administrative assistance, in municipal facilities including High School
Spencer	\$170,335	Central	to fund energy conservation measures, weatherization, infrared heaters, and administrative assistance, in municipal facilities including Police Station, Water Dept., Highway Dept., and Library

Mass. Department of Energy Resources'  
2022 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Stoneham	\$170,526	Northeast	to fund energy conservation measures, heat recovery controls, LED lighting, attic insulation, mechanical insulation, variable frequency drive, refrigeration fan motors replacement, and wall insulation, in municipal facilities including Robinhood, South, and Colonial Elementary Schools, Senior Center, Library, Police HQ, and Middle School
Sturbridge	\$199,924	Central	to fund energy conservation measures, LED lighting, town vehicle fuel controls, air source heat pump, and building controls, in municipal facilities including Burgess Elementary School, town vehicles, Joshua Hyde Library, and Public Safety Complex
Sudbury	\$15,000	Northeast	to fund energy conservation measures, battery electric vehicle, in municipal facilities including town vehicle fleet
Sutton	\$100,000	Central	to fund energy conservation measures, LED lighting, air source heat pump, heat pump water heater, ECV pump replacement, programmable thermostats, air sealing and door insulation, and weather stripping, in municipal facilities including Elementary School and Fire #2
Swampscott	\$61,626	Northeast	to fund energy conservation measures, unit ventilator controls and administrative assistance, in municipal facilities including Middle School
Uxbridge	\$200,000	Central	to fund energy conservation measures, unit ventilation retrofit, LED lighting, hybrid cruisers (2), and administrative assistance, in municipal facilities including Whittin and Taft Schools, and town vehicle fleet
Wenham	\$65,127	Northeast	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall, Library, Recreation Center, and Iron Rail
West Newbury	\$32,000	Northeast	to fund energy conservation measures, energy management system, in municipal facilities including Town Office Building
Westport	\$467,000	Southeast	to fund energy conservation measures, Decarbonization Project, in municipal facilities including Town Hall

Mass. Department of Energy Resources'  
2022 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Winchendon	\$66,449	Central	to fund energy conservation measures, air source heat pump, in municipal facilities including Town Hall
Winchester	\$84,326	Northeast	to fund energy conservation measures, steam trap repair and replacement, in municipal facilities including Recreation Dept. and Parkhurst
