

Mass. Department of Energy Resources'  
2023 Spring Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Abington	\$200,000	South	to fund energy conservation measures, heat pump and administrative assistance, in municipal facilities including Senior Center
Amesbury	\$135,577	North	to fund energy conservation measures, LED lighting, weatherization and insulation, and administrative assistance, in municipal facilities including Middle and High Schools
Arlington	\$100,000	North	to fund energy conservation measures, heat pump systems, insulation, and LED lighting, in municipal facilities including Jarvis House, Community Media / Dallin Branch Library, and Cyrus E. Dallin Elementary School
Attleboro	\$110,050	South	to fund energy conservation measures, weatherization, in municipal facilities including Fire Dept HQ, Fire Dept Training Center, Parks & Forestry Administration Building, and Twin Village Fire Station
Bridgewater	\$113,815	South	to fund energy conservation measures, weatherization, insulation, Building Operator Certification Training, and administrative assistance, in municipal facilities including Public Library, Police Station, and Senior Center Building
Carlisle	\$72,260	North	to fund energy conservation measures, weatherization and Building Operator Certification Training, in municipal facilities including Elementary School, Gleason Library, and Town Hall
Dalton	\$11,409	West	to fund energy conservation measures, weatherization and insulation, in municipal facilities including Highway Garage
Douglas	\$35,684	Central	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including High School
Lakeville	\$110,855	South	to fund energy conservation measures, heat pump system, weatherization and insulation, Wi-Fi thermostat upgrade, and administrative assistance, in municipal facilities including Animal Shelter and Loon Pond Lodge
Marlborough	\$175,734	Central	to fund energy conservation measures, weatherization, BMS controls, heat pump system, and HVAC controls upgrade, in municipal facilities including High School and Recreation Dept.
Marshfield	\$67,450	South	to fund energy conservation measures, energy management system and administrative assistance, in municipal facilities including Senior Center
Medfield	\$200,000	Central	to fund energy conservation measures, heat pump system, insulation, variable frequency drives, and administrative assistance, in municipal facilities including Library, Townhouse, and High School
Montague	\$71,400	West	to fund energy conservation measures, streetlight conversion to LED and hybrid plug-in vehicle purchase, in municipal facilities including town-owned streetlights and vehicle fleet
Northborough	\$127,194	Central	to fund energy conservation measures, duct air sealing, weatherization, insulation, and administrative assistance, in municipal facilities including Senior Center and Free Library
Norwell	\$173,887	South	to fund energy conservation measures, heat pump system, in municipal facilities including Fire Station 2
Orange	\$144,168	West	to fund energy conservation measures, battery storage, in municipal facilities including Fisher Hill School
Oxford	\$200,000	Central	to fund energy conservation measures, HVAC controls update, weatherization, and administrative assistance, in municipal facilities including Library, High and Middle Schools
Plympton	\$39,133	South	to fund energy conservation measures, heat pump systems and administrative assistance, in municipal facilities including Town House
Scituate	\$99,409	South	to fund energy conservation measures, LED lighting, in municipal facilities including High School
Shrewsbury	\$185,000	Central	to fund energy conservation measures, EV charging stations, hybrid vehicles, LED lighting, heat pump system and DHW heater, and Building Operator Certification training, in municipal facilities including vehicle fleet and infrastructure, Donahue Rowing Center, and High School
Southborough	\$57,042	Central	to fund energy conservation measures, hybrid vehicles and LED lighting, in municipal facilities including vehicle fleet and P. Trent Trottier School
Stoughton	\$200,000	South	to fund energy conservation measures, variable frequency drives, energy management systems, heat pump system, and administrative assistance, in municipal facilities including Town Hall and Dog Pound
Townsend	\$199,950	Central	to fund energy conservation measures, weatherization, insulation, retro-commissioning, LED lighting and administrative assistance, in municipal facilities including Spaulding Memorial School, Memorial Hall, Garage, and Library Senior Center
Waltham	\$198,000	North	to fund energy conservation measures, heat pump systems, insulation, LED lighting and administrative assistance, in municipal facilities including 25 Lexington Street and Northeast School
Warwick	\$66,214	West	to fund energy conservation measures, heat pump systems, weatherization and administrative assistance, in municipal facilities including Fire Station and Community School
Westminster	\$199,999	Central	to fund energy conservation measures, BMS controls, LED lighting, and weatherization, in municipal facilities including Elementary and Meetinghouse Schools
Windsor	\$38,580	West	to fund energy conservation measures, weatherization and insulation, in municipal facilities including Town Hall and Garage
