

Mass. Department of Energy Resources  
2023 Fall Competitive Green Communities Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
\$100,000	Acton	Central	to fund energy conservation measures, Town Hall, Recreation Center, and town vehicle fleet, in municipal facilities including weatherization, hybrid and electric vehicles
\$39,989	Athol	West	to fund energy conservation measures, weatherization, in municipal facilities including Police Station
\$155,244	Auburn	Central	to fund energy conservation measures, VRF heat pump system, in municipal facilities including Bryn Mawr School
\$151,530	Ayer	Central	to fund energy conservation measures, air sealing, insulation, weather-stripping, heat pump HW heater, heat pump RTU, heat pump ductless, and administrative assistance, in municipal facilities including Town Hall, Police Station, WWTP, and Fire Station
\$200,000	Blackstone	Central	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Town Hall, DPW, and Hartnett Middle School
\$94,422	Charlton	Central	to fund energy conservation measures, walk-in cooler controls, transformer, LED lighting, and administrative assistance, in municipal facilities including Middle School
\$196,006	Cohasset	South	to fund energy conservation measures, integrated building controls and administrative assistance, in municipal facilities including Joseph Osgood Elementary School, and Deer Hill Elementary School
\$80,394	Dudley	Central	to fund energy conservation measures, air source heat pump, weatherization, and administrative assistance, in municipal facilities including Highway Dept., Fire Dept., and Crawford Memorial Library
\$5,000	Dunstable	Central	to fund energy conservation measures, hybrid vehicle, in municipal facilities including town vehicle fleet
\$200,000	East Bridgewater	South	to fund energy conservation measures, transformer, LED lighting, motors and variable frequency drives, weatherization, and administrative assistance, in municipal facilities including Mitchell Middle School, Junior/Senior High School, Town Hall, and Public Library
\$199,913	Egremont	West	to fund energy conservation measures, air source heat pump, in municipal facilities including Town Hall
\$200,000	Everett	North	to fund energy conservation measures, air source heat pump, weatherization, and infrared heaters, in municipal facilities including DPW Office Area and Garage
\$125,810	Fairhaven	South	to fund energy conservation measures, weatherization, pipe insulation, and administrative assistance, in municipal facilities including Hastings Middle School, Fairhaven High School, Police and Fire Buildings
\$144,311	Gloucester	North	to fund energy conservation measures, kitchen hood controls, air source heat pumps, weatherization, mechanical insulation, weather-stripping, and walk-in refrigerator controls, in municipal facilities including Beeman Elementary, Plum Cove, Middle, and High Schools, Bayview Fire Station, and Visitor Center
\$31,688	Groton	Central	to fund energy conservation measures, air sealing, weather-stripping, pipe insulation, and heat pump HW heater, in municipal facilities including Middle Schools North and South
\$173,654	Hanson	South	to fund energy conservation measures, heat pump RTUs, hybrid vehicles, and administrative assistance, in municipal facilities including Town Hall
\$200,000	Hardwick	West	to fund energy conservation measures, weatherization, air source heat pump, and administrative assistance, in municipal facilities including Richardson Building, Highway Dept., and Fire Station
\$197,404	Holyoke	West	to fund energy conservation measures, air sealing, weatherization, and LED lighting, in municipal facilities including Dean and Metcalf Schools, City Hall and Annex, Children's Museum, and War Memorial
\$188,000	Hubbardston	Central	to fund energy conservation measures, motors / VFDs, air source heat pump, and administrative assistance, in municipal facilities including Center School and Library
\$44,170	Hudson	Central	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall
\$167,500	Ipswich	North	to fund energy conservation measures, weatherization, LED lighting, electric vehicle, and administrative assistance, in municipal facilities including Linebrook Fire Station, Animal Shelter, Middle-High School, and town vehicle fleet
\$66,488	Kingston	South	to fund energy conservation measures, air sealing, insulation, weather-stripping, LED lighting, and administrative assistance, in municipal facilities including Fire HQ, Library, Intermediate and Faunce Schools, and Harbor Master
\$123,997	Leominster	Central	to fund energy conservation measures, weatherization air source heat pump, and air handler, in municipal facilities including City Hall, Senior Center, and Treasurer's Office
\$193,022	Malden	North	to fund energy conservation measures, air source heat pump, pipe insulation, domestic HW heat pump, and pool solar thermal heating, in municipal facilities including 170 Centre Office, Senior Center, Beebe and High Schools
\$84,828	Medway	Central	to fund energy conservation measures, air source heat pumps and electric vehicle, in municipal facilities including Senior Center, Well Pump Buildings, and town vehicle fleet
\$14,800	Merrimac	North	to fund energy conservation measures, variable frequency drives, in municipal facilities including Well Pump
\$5,450	Millis	Central	to fund energy conservation measures, air source heat pump, in municipal facilities including Village St. Sewer

Mass. Department of Energy Resources  
2023 Fall Competitive Green Communities Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
\$177,160	Nantucket	South	to fund energy conservation measures, air source heat pump, electric vehicle, and administrative assistance, in municipal facilities including Planning Dept. and town vehicle fleet
\$180,013	New Braintree	Central	to fund energy conservation measures, weatherization, air source heat pump, and administrative assistance, in municipal facilities including Town Hall, and DPW/Town Barn
\$500,000	Newton	North	to fund energy conservation measures, HVAC decarbonization renovation with heat pumps, in municipal facilities including Free Library
\$191,386	Northbridge	Central	to fund energy conservation measures, unit ventilator controls replacement and administrative assistance, in municipal facilities including High School
\$178,910	Northfield	West	to fund energy conservation measures, energy recovery ventilator (ERV) units, duct sealing, insulation, and air source heat pump, in municipal facilities including Elementary School and Dickinson Memorial Library
\$200,000	Pembroke	South	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Hobomock Elementary and High Schools, and Public Library
\$199,984	Plainville	South	to fund energy conservation measures, VRF heat pump system and administrative assistance, in municipal facilities including Jackson Elementary School
\$199,685	Quincy	North	to fund energy conservation measures, transformers, LED lighting, hybrid vehicles, and EV charging stations, in municipal facilities including Lincoln Hancock and Beechwood Knoll Schools and town vehicle fleet and EV infrastructure
\$168,689	Royalston	West	to fund energy conservation measures, weather-stripping, air seal and insulation, and administrative assistance, in municipal facilities including DPW, Fire 2, Public Safety, Library, and Town Hall
\$200,000	Rutland	Central	to fund energy conservation measures, air source heat pump, infrared heaters and administrative assistance, in municipal facilities including DPW Office Area and Garage
\$200,000	Saugus	North	to fund energy conservation measures, air source heat pumps, heat pump RTU, weather-stripping, and administrative assistance, in municipal facilities including DPW and Senior Center
\$500,000	Stow	Central	to fund energy conservation measures, HVAC decarbonization renovation with heat pumps, in municipal facilities including Randall Library
\$190,172	Sutton	Central	to fund energy conservation measures, air source heat pump, programmable t-stats, weather-stripping, air seal and insulation, and LED lighting with controls, in municipal facilities including Fire Station 3, Council on Aging, WWTP, Early Learning Center, and Middle and High Schools
\$199,988	Walpole	South	to fund energy conservation measures, weatherization and mechanical insulation, in municipal facilities including Boyden Elementary, Fisher Elementary, Old Post Rd Elementary, and High Schools
\$92,813	Wayland	North	to fund energy conservation measures, retro-commissioning, weatherization, and administrative assistance, in municipal facilities including DPW, Town Building, and Claypit Elementary School
\$50,000	Wenham	North	to fund energy conservation measures, air source heat pumps for HVAC conversion, in municipal facilities including Council on Aging
\$180,526	West Brookfield	Central	to fund energy conservation measures, LED lighting, weatherization, and transformers, in municipal facilities including Elementary School, Town Hall, Merriam Gilbert Library, Senior Center, Fire Dept., and Water Dept.
\$97,530	Westford	North	to fund energy conservation measures, air seal and weather-stripping, in municipal facilities including Westford Academy and Miller Elementary School
\$100,000	Weymouth	South	to fund energy conservation measures, control system upgrade, in municipal facilities including Police HQ
\$54,358	Wilbraham	West	to fund energy conservation measures, air source heat pump, pipe insulation, and hybrid vehicle, in municipal facilities including IT Building, Library, Little Red Schoolhouse, and town vehicle fleet
\$196,300	Williamstown	West	to fund energy conservation measures, heat pump HW heater, heat pump, weatherization, outreach, EV charging stations, and administrative assistance, in municipal facilities including DPW, Milne Library, multiple town buildings, and EV infrastructure
\$99,999	Winchester	North	to fund energy conservation measures, LED lighting, attic insulation, and transformers, in municipal facilities including McCall Middle School, Cemetery, and Water Treatment Plant
\$191,133	Winthrop	North	to fund energy conservation measures, weatherization, air source heat pump, and electric vehicle, in municipal facilities including DPW, Police, and town vehicle fleet
