

Mass. Department of Energy Resources'
2025 Fall Block Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Acton	\$100,000	Central	to fund energy conservation measures, Town Hall, Recreation Center, and town vehicle fleet, in municipal facilities including weatherization, hybrid and electric vehicles
Athol	\$39,989	West	to fund energy conservation measures, weatherization, in municipal facilities including Police Station
Auburn	\$155,244	Central	to fund energy conservation measures, VRF heat pump system, in municipal facilities including Bryn Mawr School
Ayer	\$151,530	Central	to fund energy conservation measures, air sealing, insulation, weather-stripping, heat pump HW heater, heat pump RTU, heat pump ductless, and administrative assistance, in municipal facilities including Town Hall, Police Station, WWTP, and Fire Station
Blackstone	\$200,000	Central	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Town Hall, DPW, and Hartnett Middle School
Charlton	\$94,422	Central	to fund energy conservation measures, walk-in cooler controls, transformers, LED lighting, and administrative assistance, in municipal facilities including Middle School
Cohasset	\$196,006	South	to fund energy conservation measures, integrated building controls and administrative assistance, in municipal facilities including Joseph Osgood Elementary School, and Deer Hill Elementary School
Dudley	\$80,394	Central	to fund energy conservation measures, air source heat pump, weatherization, and administrative assistance, in municipal facilities including Highway Dept., Fire Dept., and Crawford Memorial Library
Dunstable	\$5,000	Central	to fund energy conservation measures, hybrid vehicle, in municipal facilities including town vehicle fleet
East Bridgewater	\$200,000	South	to fund energy conservation measures, transformers, LED lighting, motors and variable frequency drives, weatherization, and administrative assistance, in municipal facilities including Mitchell Middle School, Junior/Senior High School, Town Hall, and Public Library
Egremont	\$199,913	West	to fund energy conservation measures, air source heat pump, in municipal facilities including Town Hall

Mass. Department of Energy Resources'
2025 Fall Block Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Everett	\$200,000	North	to fund energy conservation measures, air source heat pump, weatherization, and infrared heaters, in municipal facilities including DPW Office Area and Garage
Fairhaven	\$125,810	South	to fund energy conservation measures, weatherization, pipe insulation, and administrative assistance, in municipal facilities including Hastings Middle School, Fairhaven High School, Police and Fire Buildings
Gloucester	\$144,311	North	to fund energy conservation measures, kitchen hood controls, air source heat pumps, weatherization, mechanical insulation, weather-stripping, and walk-in refrigerator controls, in municipal facilities including Beeman Elementary, Plum Cove, Middle, and High Schools, Bayview Fire Station, and Visitor Center
Groton	\$31,688	Central	to fund energy conservation measures, air sealing, weather-stripping, pipe insulation, and heat pump HW heater, in municipal facilities including Middle Schools North and South
Hanson	\$173,654	South	to fund energy conservation measures, heat pump RTUs, hybrid vehicles, and administrative assistance, in municipal facilities including Town Hall
Hardwick	\$200,000	West	to fund energy conservation measures, weatherization, air source heat pump, and administrative assistance, in municipal facilities including Richardson Building, Highway Dept., and Fire Station
Holyoke	\$197,404	West	to fund energy conservation measures, air sealing, weatherization, and LED lighting, in municipal facilities including Dean and Metcalf Schools, City Hall and Annex, Children's Museum, and War Memorial
Hubbardston	\$188,000	Central	to fund energy conservation measures, motors / VFDs, air source heat pump, and administrative assistance, in municipal facilities including Center School and Library
Hudson	\$44,170	Central	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall
Ipswich	\$167,500	North	to fund energy conservation measures, weatherization, LED lighting, electric vehicle, and administrative assistance, in municipal facilities including Linebrook Fire Station, Animal Shelter, Middle-High School, and town vehicle fleet

Mass. Department of Energy Resources'
2025 Fall Block Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Kingston	\$66,488	South	to fund energy conservation measures, air sealing, insulation, weather-stripping, LED lighting, and administrative assistance, in municipal facilities including Fire HQ, Library, Intermediate and Faunce Schools, and Harbor Master
Leominster	\$123,997	Central	to fund energy conservation measures, weatherization air source heat pump, and air handler, in municipal facilities including City Hall, Senior Center, and Treasurer's Office
Malden	\$193,022	North	to fund energy conservation measures, air source heat pump, pipe insulation, domestic HW heat pump, and pool solar thermal heating, in municipal facilities including 170 Centre Office, Senior Center, Beebe and High Schools
Medway	\$84,828	Central	to fund energy conservation measures, air source heat pumps and electric vehicle, in municipal facilities including Senior Center, Well Pump Buildings, and town vehicle fleet
Merrimac	\$14,800	North	to fund energy conservation measures, variable frequency drives, in municipal facilities including Well Pump
Millis	\$5,450	Central	to fund energy conservation measures, air source heat pump, in municipal facilities including Village St. Sewer
Nantucket	\$177,160	South	to fund energy conservation measures, air source heat pump, electric vehicle, and administrative assistance, in municipal facilities including Planning Dept. and town vehicle fleet
New Braintree	\$180,013	Central	to fund energy conservation measures, weatherization, air source heat pump, and administrative assistance, in municipal facilities including Town Hall, and DPW/Town Barn
Newton	\$500,000	North	to fund energy conservation measures, HVAC decarbonization renovation with heat pumps, in municipal facilities including Free Library
Northbridge	\$191,386	Central	to fund energy conservation measures, unit ventilator controls replacement and administrative assistance, in municipal facilities including High School
Northfield	\$178,910	West	to fund energy conservation measures, energy recovery ventilator (ERV) units, duct sealing, insulation, and air source heat pump, in municipal facilities including Elementary School and Dickinson Memorial Library

Mass. Department of Energy Resources'
2025 Fall Block Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Pembroke	\$200,000	South	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Hobomock Elementary and High Schools, and Public Library
Plainville	\$199,984	South	to fund energy conservation measures, VRF heat pump system and administrative assistance, in municipal facilities including Jackson Elementary School
Quincy	\$199,685	North	to fund energy conservation measures, transformers, LED lighting, hybrid vehicles, and EV charging stations, in municipal facilities including Lincoln Hancock and Beechwood Knoll Schools and town vehicle fleet and EV infrastructure
Royalston	\$168,689	West	to fund energy conservation measures, weather-stripping, air seal and insulation, and administrative assistance, in municipal facilities including DPW, Fire 2, Public Safety, Library, and Town Hall
Rutland	\$200,000	Central	to fund energy conservation measures, air source heat pump, infrared heaters and administrative assistance, in municipal facilities including DPW Office Area and Garage
Saugus	\$200,000	North	to fund energy conservation measures, air source heat pumps, heat pump RTU, weather-stripping, and administrative assistance, in municipal facilities including DPW and Senior Center
Stow	\$500,000	Central	to fund energy conservation measures, HVAC decarbonization renovation with heat pumps, in municipal facilities including Randall Library
Sutton	\$190,172	Central	to fund energy conservation measures, air source heat pump, programmable t-stats, weather-stripping, air seal and insulation, and LED lighting with controls, in municipal facilities including Fire Station 3, Council on Aging, WWTP, Early Learning Center, and Middle and High Schools
Walpole	\$199,988	South	to fund energy conservation measures, weatherization and mechanical insulation, in municipal facilities including Boyden Elementary, Fisher Elementary, Old Post Rd Elementary, and High Schools
Wayland	\$92,813	North	to fund energy conservation measures, retro-commissioning, weatherization, and administrative assistance, in municipal facilities including DPW, Town Building, and Claypit Elementary School
Wenham	\$50,000	North	to fund energy conservation measures, air source heat pumps for HVAC conversion, in municipal facilities including Council on Aging

Mass. Department of Energy Resources'
2025 Fall Block Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
West Brookfield	\$180,526	Central	to fund energy conservation measures, LED lighting, weatherization, and transformers, in municipal facilities including Elementary School, Town Hall, Merriam Gilbert Library, Senior Center, Fire Dept., and Water Dept.
Westford	\$97,530	North	to fund energy conservation measures, air seal and weather-stripping, in municipal facilities including Westford Academy and Miller Elementary School
Weymouth	\$100,000	South	to fund energy conservation measures, control system upgrade, in municipal facilities including Police HQ
Wilbraham	\$54,358	West	to fund energy conservation measures, air source heat pump, pipe insulation, and hybrid vehicle, in municipal facilities including IT Building, Library, Little Red Schoolhouse, and town vehicle fleet
Williamstown	\$196,300	West	to fund energy conservation measures, heat pump HW heater, heat pump, weatherization, outreach, EV charging stations, and administrative assistance, in municipal facilities including DPW, Milne Library, multiple town buildings, and EV infrastructure
Winchester	\$99,999	North	to fund energy conservation measures, LED lighting, attic insulation, and transformers, in municipal facilities including McCall Middle School, Cemetery, and Water Treatment Plant
Winthrop	\$191,133	North	to fund energy conservation measures, weatherization, air source heat pump, and electric vehicle, in municipal facilities including DPW, Police, and town vehicle fleet
