

Mass. Department of Energy Resources'  
2024 Spring Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Bedford	\$65,638	North	to fund energy conservation measures, LED lighting and weather-stripping windows, in municipal facilities including Lt. Eleazer Davis Elementary, Lt, Job Lane, and Bedford High Schools
Bellingham	\$51,732	Central	to fund energy conservation measures, LED Lighting, in municipal facilities including DiPietro Elementary School/Keough Memorial Academy
Berlin	\$213,074	Central	to fund energy conservation measures, Building Management System replacement, weatherization, and administrative assistance, in municipal facilities including Municipal Building
Burlington	\$250,000	North	to fund energy conservation measures, VFDs on hot water Circulation Pumps and BMS controls, in municipal facilities including Pine Glen Elementary and Francis Wyman Elementary Schools
Carver	\$147,789	South	to fund energy conservation measures, LED lighting and weatherization / insulation, in municipal facilities including Middle/High School, Council on Aging, DPW Garage, EMS Building, Maintenance Bus Garage and Town Hall
Dartmouth	\$160,763	South	to fund energy conservation measures, heat pump systems and EMS upgrades to pneumatic controls, in municipal facilities including Middle School and Quinn Elementary School
Deerfield	\$190,187	West	to fund energy conservation measures, weatherization, insulation, and DES building controls (HVAC), in municipal facilities including Elementary School
Dracut	\$71,183	North	to fund energy conservation measures, heat pump system and weatherization, in municipal facilities including Fire Station 2 and Police Station
Georgetown	\$177,448	North	to fund energy conservation measures, LED lighting and retro-commissioning controls, in municipal facilities including Middle/High School
Great Barrington	\$40,328	West	to fund energy conservation measures, Building Management System upgrade, BMS training and administrative assistance, in municipal facilities including Mason Library
Halifax	\$221,649	South	to fund energy conservation measures, heat pump systems, weatherization, and administrative assistance, in municipal facilities including Town Hall, Police Station, Highway Building, Council on Aging, Water Dept., and Recycling Center
Hamilton	\$500,000	North	to fund energy conservation measures, ground source heat pump system and Building Management System, in municipal facilities including Town Hall
Haverhill	\$139,150	North	to fund energy conservation measures, mechanical insulation, EMS upgrade, and administrative assistance, in municipal facilities including Charles C. White Pool Building, and Bartlett, Bradford, Burnham, Crowell, Greenleaf, Moody, Pentucket, Walnut Square, Nettle Middle and Haverhill High Schools
Leverett	\$114,388	West	to fund energy conservation measures, duct insulation and sealing, and building insulation and air sealing, in municipal facilities including Town Hall, Library, and Elementary School
Lincoln	\$5,000	North	to fund energy conservation measures, hybrid vehicle purchase, in municipal facilities including town vehicle fleet
Lowell	\$220,102	North	to fund energy conservation measures, weatherization, in municipal facilities including Cawley Stadium, DPW Headquarters, JFK Civic Center, Parks Headquarters, Westlawn Cemetery, Water Treatment Plant, and Wastewater Treatment Plant

Mass. Department of Energy Resources'  
2024 Spring Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Marion	\$212,675	South	to fund energy conservation measures, heat pump system, variable frequency drives, BMS upgrade, and transformer, in municipal facilities including Front St. Pump Station, Wastewater Treatment Plant and Sippican Elementary School
Needham	\$162,848	North	to fund energy conservation measures, DHW heat pumps and LED lighting, in municipal facilities including Town Hall, DPW Building, and Eliot Elementary School
Newburyport	\$110,034	North	to fund energy conservation measures, weatherization, weather stripping, and administrative assistance, in municipal facilities including Emma Andrews Library, Newburyport High School, Old Fire Station, Ruper Nock School, and Water Treatment Plant
New Salem	\$126,860	West	to fund energy conservation measures, heat pump systems, heat pump and ERV systems, and DHW heat pump, in municipal facilities including Highway Garage, Fire Station, and New Library
North Adams	\$177,072	West	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including City Hall
Palmer	\$118,575	West	to fund energy conservation measures, Condensing and AHU replacement, in municipal facilities including Wastewater Treatment Plant
Plainfield	\$47,180	West	to fund energy conservation measures, ground source heat pump system, in municipal facilities including Town Hall
Plympton	\$135,007	South	to fund energy conservation measures, heat pump systems and administrative assistance, in municipal facilities including Public Library
Rehoboth	\$225,000	South	to fund energy conservation measures, heat pump systems, weatherization, and administrative assistance, in municipal facilities including Animal Shelter, City Hall Annex, and Fire Department Building
Rockland	\$247,120	South	to fund energy conservation measures, heat pump RTU, weatherization, insulation and administrative assistance, in municipal facilities including Wastewater Treatment Plant and Memorial Library
Salem	\$250,000	North	to fund energy conservation measures, LED lighting and controls, refrigeration controls, and Building Management System, in municipal facilities including Saltonstall Elementary and Carlton Elementary Schools
Shelburne	\$75,734	West	to fund energy conservation measures, energy savings window blinds and LED streetlight conversion, in municipal facilities including Cowell Gym and town-owned streetlights
Southborough	\$123,936	Central	to fund energy conservation measures, LED lighting and BMS controls upgrade, in municipal facilities including Town House, Mary E. Finn and P. Brent Trottier Schools
Southbridge	\$226,549	Central	to fund energy conservation measures, heat pump system and AHUs, weatherization, weather stripping, motorized dampers, and administrative assistance, in municipal facilities including DPW, Casaubon Senior Center, and Jacob Edwards Library
Stoneham	\$225,000	North	to fund energy conservation measures, heat pump AHU and attic insulation, in municipal facilities including Library
Stoughton	\$249,445	South	to fund energy conservation measures, refrigeration and kitchen hood controls, mechanical insulation, weatherization, weather-stripping, Energy Management System, optimized air compressor system, and administrative assistance, in municipal facilities including Dawe School, Odonell Middle, Gibbons Elementary, West Elementary, and Hansen Elementary Schools, Police, Town Hall, and DPW

Mass. Department of Energy Resources'  
2024 Spring Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Swampscott	\$81,615	North	to fund energy conservation measures, unit ventilator fan controls, LED lighting, and administrative assistance, in municipal facilities including Middle School
Tyngsborough	\$131,828	North	to fund energy conservation measures, retro-commissioning, in municipal facilities including Elementary School and High School
Upton	\$126,402	Central	to fund energy conservation measures, LED streetlight conversion and administrative assistance, in municipal facilities including town-owned streetlights
Uxbridge	\$225,000	Central	to fund energy conservation measures, LED lighting, weatherization, Building Management System, and administrative assistance, in municipal facilities including Taft Elementary School, High School, Free Public Library, and Police Station
Warren	\$201,054	West	to fund energy conservation measures, heat pump system, weatherization, and administrative assistance, in municipal facilities including Senior Center and Municipal Building
Wellesley	\$500,000	North	to fund energy conservation measures, decarbonization project, in municipal facilities including Warren Building
Westborough	\$140,973	Central	to fund energy conservation measures, retro-commissioning, weatherization, and administrative assistance, in municipal facilities including Middle/High School
West Boylston	\$43,905	Central	to fund energy conservation measures, EMS upgrade and weatherization, in municipal facilities including Forbes Municipal Building and Town Hall
West Springfield	\$217,203	West	to fund energy conservation measures, LED lighting, mechanical insulation, weather stripping, air sealing, window sealing, caulking, and administrative assistance, in municipal facilities including Fausey, John Ashley, Memorial, Mittineague, and Tatham Elementary Schools, Middle School, and High School
Winchendon	\$208,489	Central	to fund energy conservation measures, weatherization, in municipal facilities including Police Dept., Beals Library, Toy Town Elementary School, and Murdock Middle/High School
Woburn	\$125,000	North	to fund energy conservation measures, heat pump system, insulation, and DHW heat pump, in municipal facilities including Shamrock School and DPW
