

Mass. Department of Energy Resources'  
2024 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Acushnet	\$500,000	South	to fund energy conservation measures, VRF heat pumps - decarbonization project, in municipal facility, Elementary School
Andover	\$69,754	North	to fund energy conservation measures, heat pump system and weatherization, in municipal facility, Spring Grove Cemetery
Arlington	\$125,000	North	to fund energy conservation measures, weatherization, building controls update, and LED lighting, in municipal facilities including Ed Burns Skating Rink, Hardy and Thompson Elementary Schools
Athol	\$138,573	West	to fund energy conservation measures, hybrid heat pump rooftop units, in municipal facility, Police Station
Becket	\$139,500	West	to fund energy conservation measures, small wind turbine, in municipal facility, Elementary School
Boston	\$189,000	North	to fund energy conservation measures, solar PV system recommissioning, in municipal facilities including Boston Latin Academy, Archives Building, and Dearborn STEM Academy
Boxford	\$225,000	North	to fund energy conservation measures, weatherization, in municipal facilities including Spofford Pond and Cole Schools
Chilmark	\$177,741	South	to fund energy conservation measures, heat pump system, weatherization, and administrative assistance, in municipal facilities including Town Hall and Police Department
Clarksburg	\$22,857	West	to fund energy conservation measures, heat pump water heater and administrative assistance, in municipal facility, Elementary School
Douglas	\$100,000	Central	to fund energy conservation measures, LED lighting, in municipal facility, Middle School
Duxbury	\$170,151	South	to fund energy conservation measures, weatherization and administrative assistance, in municipal facility, Town Hall
East Bridgewater	\$106,688	South	to fund energy conservation measures, weather-stripping doors, weatherization, HW loop and RTU controls and administrative assistance, in municipal facilities including Council on Aging, Fire Dept., DPW Highway Barns, Water Dept., and Library
Edgartown	\$217,674	South	to fund energy conservation measures, heat pump system, heat pump water heater, air to water heat pump system and administrative assistance, in municipal facilities including Harbormaster, Chappaquiddick Fire Station, and Highway Dept.
Fitchburg	\$243,130	Central	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facility, Longsjo Middle School
Grafton	\$47,424	Central	to fund energy conservation measures, weather-stripping, in municipal facilities including Municipal Center, New Police Station, High School and Middle School
Harwich	\$135,388	South	to fund energy conservation measures, VRF heat pump system and administrative assistance, in municipal facility, Community Center

Mass. Department of Energy Resources'  
2024 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Lawrence	\$173,166	North	to fund energy conservation measures, LED lighting, in municipal facilities including High School
Leominster	\$237,669	Central	to fund energy conservation measures, LED lighting, in municipal facility, Northeast School
Lexington	\$52,000	North	to fund energy conservation measures, electric leaf blowers and LED lighting, in municipal facilities including Fiske and Harrington Elementary Schools
Littleton	\$173,895	Central	to fund energy conservation measures, LED lighting, weather-stripping doors, insulation, battery electric vehicle lease and administrative assistance, in municipal facilities including High School, Middle School, Town Hall, Police Station, Fire Station, and town vehicle fleet
Lunenburg	\$225,000	Central	to fund energy conservation measures, refrigeration controls, heat pump system, hybrid vehicles, weather-stripping, and administrative assistance, in municipal facilities including Primary School, High School, Turkey Hill School, and town vehicle fleet
Middleborough	\$53,405	South	to fund energy conservation measures, HVAC building controls update and administrative assistance, in municipal facilities including Town Hall
Natick	\$99,703	North	to fund energy conservation measures, battery electric vehicles, zero emissions vehicle maintenance equipment, and heat pump water heater, in municipal facilities including Lilja and Brown Elementary Schools, and town vehicle fleet
Norfolk	\$172,500	Central	to fund energy conservation measures, solar PV array repair and heat pump system, in municipal facilities including Freeman-Kennedy School and DPW Garage
Northampton	\$494,613	West	to fund energy conservation measures, Energy Recovery Ventilator (ERV), ERV controls and heat pump system, in municipal facility, Leeds Elementary School
Northbridge	\$125,000	Central	to fund energy conservation measures, Unit Ventilator (UV) controls, Building Operator Certification training, weather-stripping, and administrative assistance, in municipal facilities including High School
Oxford	\$233,026	Central	to fund energy conservation measures, transformer replacement, LED lighting, weather-stripping, and administrative assistance, in municipal facilities including High School and Community Center
Pepperell	\$144,463	Central	to fund energy conservation measures, weather-stripping, VRF heat pump system, and administrative assistance, in municipal facility, Council on Aging
Provincetown	\$192,127	South	to fund energy conservation measures, heat pump system, and administrative assistance, in municipal facility, Municipal Airport
Rockport	\$225,000	North	to fund energy conservation measures, air system upgrade, 50-HP blowers, in municipal facility, Wastewater Treatment Plant
Sharon	\$151,546	South	to fund energy conservation measures, Demand Control Ventilation upgrade, motors and drives upgrade, in municipal facility, Heights Elementary School
Shutesbury	\$44,748	West	to fund energy conservation measures, LED lighting, in municipal facility, Elementary School

Mass. Department of Energy Resources'  
2024 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Sturbridge	\$220,684	Central	to fund energy conservation measures, Building Management System controls, LED lighting, VFDs on RAS pumps, pump replacements and retro-commissioning controls, in municipal facilities including Center Office Building, Town Hall, Burgess Elementary School, and Wastewater Treatment Plant
Sudbury	\$30,000	North	to fund energy conservation measures, battery electric vehicles, in municipal facility, vehicle fleet
Tewksbury	\$125,000	North	to fund energy conservation measures, VRF heat pump system and weatherization, in municipal facility, South Fire Station
Walpole	\$225,000	South	to fund energy conservation measures, Energy Management System, weatherization, and mechanical insulation, in municipal facilities including Police Station, Center and South Fire Stations, DPW, and Town Hall
Waltham	\$149,565	North	to fund energy conservation measures, pipe insulation, LED lighting and administrative assistance, in municipal facilities including Old School Grove St., Lake St. Fire #7, Senior Center, and JFK Middle School
Warwick	\$143,930	West	to fund energy conservation measures, heat pump system, heat pump water heater, LED lighting, infrared heater, and administrative assistance, in municipal facilities including Community School and Library
Watertown	\$30,000	North	to fund energy conservation measures, battery electric vehicles (2), in municipal vehicle fleet
Wenham	\$500,000	North	to fund energy conservation measures, ground-source heat pump system - decarbonization project, in municipal facility, Town Hall
West Brookfield	\$186,616	Central	to fund energy conservation measures, heat pump system, weatherization, and administrative assistance, in municipal facilities including Fire Station, Elementary School, and Highway Dept
Westhampton	\$90,326	West	to fund energy conservation measures, weatherization, in municipal facility, Elementary School
