## Compliance Corner

**The Office of Access and Opportunity – Compliance** presents “Compliance Corner.” Look out for helpful hints & information about required compliance reporting in DCAMM’s Contractor Management System (DCMS) and the Commonwealth’s Affirmative Marketing Program.

### Did you know...

The Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) on your project(s) are required to confirm the monthly payments reported to them? As an added layer of MBE/WBE payment tracking, transparency and accuracy, payments reported by the General Contractor/Prime Designer must also be confirmed by the subcontractors/subconsultants. Your monthly compliance audits show as incomplete in B2GNow, on our end, until MBE/WBE subcontractors have acknowledged and confirmed the payment(s) reported. To ensure notices are being sent to your subcontractor/subconsultant to confirm payment, please ensure their email address is correct in the B2GNow system and that they are aware that this is a **requirement** until they have completed their work on the project.

Thank you for your continued support of the Commonwealth’s Affirmative Marketing Program.
