Re: Massachusetts Tariff #5026

Gentlemen:

The management of Conlon Moving and Storage, Inc. (MA Certificate #5026) has decided to file to amend part of our current rates as a Common Carrier – Transportation of Household Goods between points in Massachusetts. This includes, 1) Time Basis Transportation Rates, 2) Item 100 (Containers) and, 3) Cartage Rates (Weight Basis – Warehouse Pickup and Delivery).

We submit that our filing for this tariff increase is reasonable and justified for the following reasons:

1. All operating costs associated with the moving industry have increased significantly. This would include, but is not limited to, vehicle maintenance, fuel and primarily insurances to operate as required.
2. Minimum wage for labor continues to climb, along with increasing all other labor costs.
3. Employee related costs including health insurance and benefits have increased significantly.
4. Cost of materials have increased significantly, both to produce and dispose of.

In anticipation of your approval for this rate increase, I would suggest an effective date of May 1, 2020.

A copy of our Certificate of Liability Insurance is enclosed as required.

Thank you for your consideration and time concerning this matter. If there are any questions or concerns, please contact Dave Thompson, General Manager at Dthompson@conlonmoving.com or 508-336-7766.

Sincerely,

David R. Harrison
Chairman
