CONSENT ORDER

Pursuant to G.L. c. 30A, § 10, Michael W. Marcus, M.D. (Respondent) and the Board of Registration in Medicine (Board) (hereinafter referred to jointly as the "Parties") agree that the Board may issue this Consent Order to resolve the above-captioned adjudicatory proceeding. The Parties further agree that this Consent Order will have all the force and effect of a Final Decision within the meaning of 801 CMR 1.01(11)(d). The Respondent admits to the findings of fact specified below and agrees that the Board may make the conclusions of law and impose the sanction set forth below in resolution of investigative Docket No. 20-049.

Findings of Fact

1. The Respondent graduated from the Albert Einstein School of Medicine at Yeshiva University in 1968. He is certified by the American Board of Psychiatry. He has been licensed to practice medicine in Massachusetts under certificate number 31948 since 1969. He has privileges at Lahey Hospital and Medical Center.
2. The Department of Public Health (DPH) maintains the prescription monitoring program database (PMP).

3. The PMP provides users, including physicians, with a 1-2 year lookback of prescription records.
4. PMP lists all Schedule II to V prescriptions, as well as gabapentin prescriptions, filled by patients at retail and Veterans Administration pharmacies in Massachusetts.
5. The purpose of the PMP is, in part, to provide a tool for physicians and others to monitor the prescribing and dispensing of all Schedule II to V, inclusive, controlled substances and certain additional drugs.
6. Physicians are required under Massachusetts law to access PMP information prior to prescribing benzodiazepines to patients.
7. From January 1, 2020 to April 13, 2021, the Respondent failed to check the PMP when he issued eleven separate benzodiazepine prescriptions to Patient A.

Conclusion of Law

A. The Respondent violated G.L. c. 112, §5, eighth par. (b), and 243 C.M.R. 1.03(5)(a)11, by committing an offense against any provisions of the laws of the Commonwealth relating to the practice of medicine, or any rule or regulation adopted thereunder, to wit 105 C.M.R. 700.00 as it pertains to mandatory review of the PMP system for the issuance of benzodiazepine prescriptions.
