

**Continuing Education required every two-year renewal cycle.** Completed within the two years prior to current expiration date. Cannot re-use previously submitted CEU's.

**R5.4.2 Hours.** A qualifying licensee must provide proof of completion of required hours of continuing education per two year license cycle in the appropriate category in which the licensee is licensed.

Construction Supervisors License	12 Hours
Construction Supervisors License (One- and Two-Family Dwellings)	10 Hours
Construction Supervisors Specialty License	6 Hours

**Exception.** *Building officials* who are certified and in good standing in accordance with R7 are exempt from R5.4.

**R5.4.3.** All Construction Supervisor License holders are required to complete the appropriate number of continuing education each two-year renewal cycle as described in Section R5.4.2. The following hour(s) of continuing education topics are required:

Code Review	four (4) hrs (CS-unrestricted & CSFA one & two family)	two (2) hrs (CSSL-specialty)
Workplace Safety	one (1) hour	
Business Practices / Workers' Compensation	one (1) hour	
Energy (except Demolition Specialty License)	one (1) hour	
Lead Safe Practices ( <b>only first renewal cycle</b> )	one (1) hour	

The remainder credit hours to be completed by approved electives or additional topic hours.

**R5.4.9 Responsibilities of a Course Coordinator:**

5. providing course completion certificates within ten days of, but not before, completion of the entire course. Course completion certificates shall be completed in their entirety...

*Qualified licensees may acquire up to a maximum of six hours of continuing education via on-line training. Remaining hours shall be acquired through in-person, classroom training.*

**\*\*To locate when and where a class/course is scheduled please click on coordinator's website**
