

COTTING SCHOOL

A tradition of innovation and excellence since 1893

September 30, 2025

To District Superintendents and Special Education Administrators:

We appreciate your support of Cotting School by the placement of a student from your town in our program. As you are aware, our specialized school environment provides educational, therapeutic and health care services to children and youth with complex and severe multiple disabilities. The complex needs of our students continue to intensify each school year. Consequently, we plan to use the Department of Elementary and Secondary Education's Mid-Cycle Review of our program, during the current school year, to initiate the needed programmatic additions through the Program Reconstruction process.

We anticipate a new authorized tuition price of **\$158,665.07** for our Day Program and **\$13,652.08** for our Summer Program. We are seeking the increase effective July 1, 2026. This increase will enhance our services delivery to better meet the needs of our students.

Thank you for your continued support and please contact me if you have any questions.

With appreciation,

Bridget Irish
President
