

## MEMORANDUM

---

**TO:** Municipal Chief Executives  
**FR:** Heath Fahle, A&F FFO  
**DT:** August 9, 2021  
**RE:** ARPA Coronavirus Local Fiscal Recovery Fund – County Reallocations

---

The American Rescue Plan Act of 2021, Pub. L. No. 117-2 (March 11, 2021) (ARPA), provides direct aid to local governments in response to the public health emergency caused by the Coronavirus Disease (COVID-19) through the Coronavirus Local Fiscal Recovery Fund (CLFRF). This fund is administered by the US Department of the Treasury (hereafter, “US Treasury” or “Treasury”).

This memorandum announces that the Commonwealth will distribute the first tranche of the County Reallocation portion of these funds to eligible municipalities on or about August 16, 2021.

### **County Reallocations**

The CLFRF allocates approximately \$1.3 billion to counties in Massachusetts, including approximately \$946 million to the nine counties that Treasury defines as “not units of general local government” and \$393 million is available to the other five counties.

Massachusetts counties categorized as “not units of general local government” include Berkshire, Essex, Franklin, Hampden, Hampshire, Middlesex, Nantucket, Suffolk, and Worcester. Funds for these counties will be reallocated on a per capita basis to the 254 municipalities in those counties (the “County Reallocations”).

Per statute, CLFRF is disbursed in two tranches with 50 percent of the allocation provided now (the “First Tranche”) and the remaining 50 percent (“Second Tranche”) available not less than 12 months after the first payment.

The Commonwealth has received the funds to distribute the first tranche of the County Reallocations. The Commonwealth will initiate these payments to eligible municipalities on or about August 16, 2021. Most municipalities will receive the funds within 2-3 business days.

Per the US Treasury guidance, the existing grant agreement between each municipality and the US Treasury covers funds received through the County Reallocation process. Municipal officials are responsible for compliance with all applicable federal rules and regulations.

## Direct County Allocations

Approximately \$393 million is available to county governments as depicted in Figure 1. Funds are available to these entities directly from the US Treasury. The Commonwealth has no ability to alter these allocations. Municipalities within the jurisdiction of the counties listed below should contact county officials for more information.
