- (1) Scope. 101 CMR 445.00 governs the payment rates for Adult Day Health Services, Day Habilitation Services, Day Services, Prevocational Services, and Supported Employment Services as defined in 101 CMR 445.02, purchased by a governmental unit.
- (2) Applicable Dates of Service. Rates contained in 101 CMR 445.00 apply for dates of service as stated in 101 CMR 445.03(2).
- (3) Disclaimer of Authorization of Services. 101 CMR 445.00 is neither authorization for nor approval of the services for which rates are determined pursuant to 101 CMR 445.00. Governmental units that purchase the services described in 101 CMR 445.00 are responsible for the definition, authorization, and approval of services provided to clients.
- (4) Administrative Bulletins. EOHHS may issue administrative bulletins to clarify its policy on substantive provisions of 101 CMR 445.00.

445.02: Definitions

The service may include teaching such concepts as attendance, task completion, problem solving, and safety as well as social skills training, improving attention span, and developing or improving motor skills. Basic skill-building activities are expected to specifically involve strategies to enhance a participant's employability in integrated, community settings.

Provider. Any individual, group, partnership, trust, corporation, or other legal entity that offers services for purchase by a governmental unit and that meets the conditions of purchase or licensure that have been adopted by a purchasing governmental unit.

Supported Employment Services. Services that provide assistance to individuals or groups of individuals to help them prepare for, acquire, and maintain integrated employment in the community for clients that require provider support and/or supervision.

445.03: Rate Provisions

(1) Services Included in the Rate. The approved rate includes payment for all care and services that are part of the program of services of an eligible provider, as explicitly set forth in the terms of the purchase agreement between the eligible provider and the purchasing governmental unit(s).

(2) Reimbursement as Full Payment. Each provider must, as a condition of acceptance of payment by a purchasing agency for services provided to a client, accept the payment rates established by 101 CMR 445.00 as full payment and discharge of all obligations for the services provided. The provider may not seek additional or supplemental payment from clients or other third parties for services for which rates are established by 101 CMR 445.00. If a provider receives any client funds or third party
