**Re: Letter of Explanation  
CRC Communications LLC d/b/a OTT Communications  
Intrastate Telecommunications Services Tariff M.D.T.C. No. 3 Proposed  
Revisions for July 31, 2017**

Dear Ms. Clark:

Enclosed please find a check made payable to the Commonwealth of Massachusetts in the amount of \$100.00. Also enclosed, please find an original and one (1) copy of the proposed revisions of the Intrastate Telecommunications Services Tariff M.D.T.C. No. 3 of CRC Communications LLC d/b/a OTT Communications ("OTT"), which carriers and effective date of July 31, 2017. The proposed filing consists of pages 2 and 7. As requested in the Massachusetts DTC's Notice dated May 22, 2017, OTT has also submitted this filing electronically to [dte.efiling@state.ma.us](mailto:dte.efiling@state.ma.us).

This filing is made pursuant to the Federal Communications Commission's *USF/ICC Transformation Order* ("Order"), which established that individual intrastate rates for dedicated access local transport, terminating switched access, and associated services must be equal to or lower than their corresponding interstate rates. Accordingly, OTT has made the following revisions:

- Reduced its Tandem-Switched Transport – Local Transport Facility Terminating rate from \$0.000002 to \$0.000000;
- Changed End Office Local Switching - Originating to Local Switching Transport – Originating;
- Changed Composite End Office Charge - Terminating to Tandem-Switched End Office and Transport – Terminating; and
- Deleted the rate Dedicated End Office Trunk Ports – Originating.

Lastly, OTT does not own a tandem switch that services intrastate access traffic in Massachusetts.

Please acknowledge receipt of this filing by returning a stamped duplicate copy of this letter in the enclosed, self-addressed envelope.

If you have any questions, I may be reached at (256) 586-1420 or by email at [dennis@otelcotel.com](mailto:dennis@otelcotel.com).

Sincerely,

Dennis K. Andrews  
Senior Vice President  
OTT Communications
