

# CELEBRATE YOUR LOCAL CROSSING GUARD!

Crossing Guards help our students cross busy streets all year long, in all types of weather. They bring the safety and the smiles! Join us in recognizing their hard work by participating in Massachusetts Crossing Guard Appreciation Day on March 24, 2021.\*

## Nominate Your Crossing Guard

Parents/guardians, public school students, school staff, and municipal staff can nominate their crossing guard or a group of crossing guards for "Crossing Guard of the Year."

The top three finalists will be featured on the website and the "Crossing Guard of the Year" will be recognized at the Massachusetts SRTS Awards Ceremony in June!
