

*“Cyber Aces is like an Olympic sport. Anyone can try out, earn their way forward, and be celebrated at each level of accomplishment. And ultimately, we find the world class performers.”*

## GOAL

A pathway to critical cyber security jobs

## STRATEGY → PROGRAMS

### 1 Grow the Talent Pool

#### Cyber Aces Online

Make training available to more people.

Teach the fundamentals.

Make it engaging.

Make it competitive.

Make it free.

#### State Championships

Partner with government, business, and education to host the event.

Create excitement and visibility.

Discover the state's top talent.

### 2 Develop Elite Skills

#### Cyber Aces Academy

Build a fast track program: 18-24 months.

Teach hands-on skills, not theory.

Provide paid residencies. Work on real-world problems.

Graduate a highly skilled work force.
