Dairy Farmer for Other Markets (DFOM) Matrix - Guide for Determining When a Depooled (DFOM) Producer Can be Repooled on the Northeast Order §1001.12(b)

Initial Month in Bold →

Shading Represents Succeeding Months Where Producer is Not Eligible to Be Pooled on Order 1

1) Select first month (BOLD) in which the handler intitially caused the producer to be delivered as other than producer milk on any federal order (nonpool milk).

2) Following across the row, the initial month and all other shaded months represent months during which the producer is excluded from the Federal Order 1 pool (dairy farmer for other markets).

3) Reading across a row the first unshaded month represents the end of the dairy farmer for other markets designation and is the first opportunity for a producer to requalify as a Federal Order 1 producer by meeting the producer milk requirement under §1001.13 (d)(1).

4) For December through May if a producer is not requalified as a pool producer during the first month they are eligibile to be repooled, then their intial month and succeeding ineligiblility period begins again (see chart).
