Department of Unemployment Assistance (DUA) Certificate of Compliance

Effective March 24, 2015, a statutory change in M.G.L. Chapter 151A, Section 19A creates a new certification requirement for employers seeking certain tax credits in excess of \$5,000. **Farms receiving a Dairy Farmer Tax Credit of more than \$5,000 must provide a Certificate of Compliance from the Department of Unemployment Assistance to the Department of Agricultural Resources** as part of the approval process for participation in the 2024 Dairy Farmer Tax Credit Program. Please note that even if your farm does not pay unemployment, the farm must still generate a Certificate by registering with DUA as "Non-Liable."

Farms must generate a Certificate of Compliance directly from DUA online. If there is no outstanding debt on the account, a Certificate of Compliance will be issued. If, however, there is outstanding debt, a Certificate of Compliance will not be granted until such debt is resolved.

How to generate a DUA Certificate of Compliance:

- Visit the following website: [Request a certificate of compliance](#)
- Scroll down and Click "Log in to UI Online for Employers."
- Enter your User ID and Password
 - If you do not have a User ID and/or Password or if you have difficulty logging in or navigating the website, you must call the **Department of Unemployment Assistance at (617) 626-5075**.
- Once logged in, follow these steps:
 - Click "Payment Information" (in the left pane to view the *Payment Information* page).
 - Click "Request Certificate of Compliance."
 - Make sure your browser allows pop-up windows and accepts cookies, and then click Submit.
- If you are in good standing, you will receive a PDF document of your certificate of compliance immediately.
