Re: **Matter of Daniel J. Hamm** (PH232745) – Docket No. PHA-2011-0116

Dear Mr. Hamm:

The Board of Registration in Pharmacy (Board) is in receipt of a May 13, 2011 letter from Atty. Joel S. Chase enclosing your May 13, 2011 letter surrendering your Massachusetts Pharmacist registration (No. PH232745) in resolution of above-referenced complaint Docket No. PHA-2011-0116 (Complaint).

Please be advised that the Board has **accepted** the surrender of your pharmacist registration in resolution of the Complaint, and in accordance with Board regulation 247 CMR 10.06(6), on the terms and conditions that the surrender considered to be: (1) voluntarily tendered; (2) a reportable disciplinary action depriving you of all privileges of registration; (3) a public document subject to disclosure by the Board; (4) not subject to reconsideration or judicial review; and (5) a waiver of your right to any hearing pursuant to G.L. c. 30A.

The Board will **not** review any application for licensure as a pharmacist sooner than five years from the effective date of license surrender (05/13/2011). If you apply for pharmacist licensure in the Commonwealth at any time in the future, you will be required to meet all current requirements for licensure, including the moral character qualification which would include a review of any court proceedings pending or final as of the date of any such application, and a period of monitoring to be determined by the Board prior to applying for licensure in the Commonwealth. At this time the Board, the Board does not envision any terms or conditions that would be appropriate for you to be licensed as pharmacist in the Commonwealth.

Very truly yours,

Stanley B. Walczyk, R.Ph.
President
