Citizenship Affirmation	I am a U.S. Citizen
Residency Affirmation	I am a resident of the Commonwealth of Massachusetts
Statement of Intent	I intend to comply with and advance the policy established by this Act.
Statement of Interest	<p>It is imperative that Democracy be advanced and controlled by individuals who have the right to vote. Corporations do not represent the people and the financial impact they potentially have must be limited or eliminated. The individuals financial impact should also be equalized in some manner so that some persons do not have an undue influence due to their financial impact on elections. i have been active in elections all my life and have never failed to vote since I had the right to vote. i have worked on campaigns from time to time and feel I am knowledgeable about the election process. I am well educated and have the time to do this.</p> <p>Resume is available, Resume Upload below may not have work</p>

Business Experience

Genzyme Corporation (sanofi aventis)

Genzyme Corporation was one of the largest biotechnology companies in the world when acquired by sanofi aventis. When I started in 1989 the company had revenues of \$33 million and was about to launch its first biotech product. My role over the next fifteen years was to build a financial administrative infrastructure, to raise more than \$1.5 billion in capital, and provide experience and guidance to the company.

1999 – 2004 Senior Advisor to the Chairman and CEO

1989 – 1999 Executive Vice President and Chief Financial Officer

Adams – Russell Co, Inc.

Adams-Russell was an electronic component and subsystem supplier to the defense industry and an operator of cable television franchises in the Northeast. In 1986 the company was separated into two public companies – a cable television company which was sold a year later and an electronics company which was sold a year after that.

1982 - 1989 Vice President and Chief Financial Officer

1975 - 1982 Vice President, Controller
