Download Entire Directory

If you download the entire directory, keep in mind, it is just a snapshot in time and will not be updated as other certifications continue to be processed.

You will have to state that you are not a robot and enter a given code exactly as it appears then you will be able to download an Excel format or a CSV format.

You are about to export the full directory. Your export will be generated in real-time from the directory. Depending upon the speed of your Internet connection, the number of records, and the size of the export file, it may take a few minutes to generate and download the data.

ALERT: The information provided in the file is not to be used for unsolicited advertising, spam, or any other unauthorized use. Your activities from IP Number on this website are tracked.

I'm not a robot

reCAPTCHA
Privacy - Terms

To download this export you must enter the following code exactly as it appears:

Enter **rDbZhP** here (case sensitive):

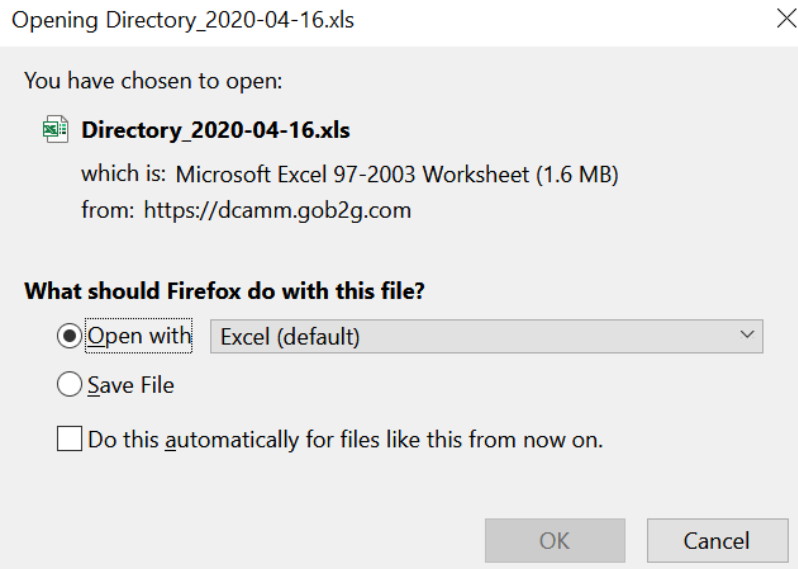

Include Commodity Codes in download

Download to Excel

Download to CSV

Cancel

This is useful because the business' category of work will be included

Once you have opened the excel spreadsheet you will be able to sort and filter the information as you would any excel document
