

# DCMS Tip Sheet

March 17, 2023

Volume 4 Edition 3

Greetings from DCAMM Contractor Certification!

Revised Update Statements are now available for your use on our website.

## DCAMM Update Statements – What has changed?

While the statements will generally look the same as they have in the past, we have updated the General Performance and the Legal questions to ensure they reflect any changes that have been made to the DCAMM online application questions over time. We have also changed the numbering of the questions, so they relate back to the numbering in the online application for ease of comparison and updating:

### PART 3 – GENERAL PERFORMANCE

Part 3 of the Update Statement corresponds to Section 5 of the Prime Application. The numbering below refers back to the numbered questions in the application for your reference.

#### Prime Application Section 5 - General Performance

	YES	NO
5.A. Has your Company been terminated prior to completion of a Contract?	<input type="checkbox"/>	<input type="checkbox"/>
5.B. Has your Company failed or refused to perform or complete any of its Scope of Work under any Contract prior to substantial completion?	<input type="checkbox"/>	<input type="checkbox"/>
5.C. Has your Company and/or any principal, officer, or individual with a Financial Interest in your Company filed for bankruptcy?	<input type="checkbox"/>	<input type="checkbox"/>

All references to the old paper application sections and numbering have been removed.

Update Statements are a critical part of the bidding process. Be sure you are taking care to disclose anything that has changed from your last approved application. If you need to feel free to attach additional pages for your responses. Be sure to clearly indicate the questions you are responding to in your attachment. Failure to disclose any changes can affect your chances of getting awarded a bid and could affect your DCAMM Certification, so make sure all responses are accurate before submitting your bid.

Stay tuned for the next installment...
