DCR UAP Winter Schedule 2020

DCR's Universal Access Program is dedicated to providing outdoor recreation opportunities in Massachusetts state parks for visitors of all abilities. Accessibility is achieved through site improvements, specialized adaptive recreation equipment, and accessible recreation programs.

dct Massachusetts

General Information

The Universal Access Program (UAP) offers adaptive, accessible programming seasonally at state parks, pools, and rinks. We partner throughout the year with **All Out Adventures**, **Easterseals Massachusetts**, **Holyoke Rows**, **Stavros Outdoor Access**, and **Waypoint Adventure** to run our programs. Our East Boston skating program is supported by **Spaulding Adaptive Sports Centers**.

Our structured programs feature adaptive equipment, professional staff, and instruction and support. Friends, family members, and companions are encouraged to take part in our programs alongside participants with disabilities.

Release Forms and Pre-registration

A current **release form** is required for all of our programs. You must also pre-register for each activity with the providing organization. Get into the activity sooner when you arrive by bringing your release form filled out! To pre-register for an activity, in the event there is inclement weather, or if you need to cancel, please contact the providing organization listed for each program.

Essential Eligibility Criteria

You must also meet the **essential eligibility criteria (EEC)** for the activity. EEC help you understand the skills you need to participate in our programs. For risk management considerations, everyone who attends our programs must meet these EEC. You can meet the EEC independently, or with the help of a caregiver (a family member, friend, or PCA). Visit us at **mass.gov/dcr/universal-access/eec** to learn more. If you have concerns about your ability to meet the EEC, please speak with the organization leading the activity. If you have general questions or concerns, please contact us at by email or phone at **DCR.UniversalAccess@mass.gov** or **(413) 545-5760**.

Check out mass.gov/dcr/universal-access to keep up-to-date with our activities!

Please complete one form for each adult participant. Children may be registered along with an adult family member on the same form. If a participant is under 18 years of age or has a legal guardian, a signature from a parent or the guardian is required
